PHILOSOPHY

We believe that all children can learn if provided the proper resources, instructional techniques, assistance, and time. We believe that Godly principles, coupled with high expectations and the basic foundations for learning, will assist us in producing spiritually balanced, academically empowered, and emotionally sound individuals who are capable of overcoming challenges.

CURRICULUM

Curriculum is simply the plan in a school that defines the work of teachers, the content to be taught, and the methods to be used in the process. Our curriculum is

designed to address categories which include core curriculum, collateral curriculum, support curriculum, and enrichment curriculum.

CORE CURRICULUM consists of reading (phonemic awareness, phonics, word recognition, vocabulary development, and comprehension), written expression (grammar and composition), and arithmetic (computation, problem solving, and critical thinking). These components are the foundation for all other curriculum categories.

COLLATERAL CURRICULUM consists of social studies and science. These components are important and require that students apply the core curriculum subject areas.

SUPPORT CURRICULUM includes the skills necessary to support learning including social/emotional interaction skills, citizenship training, study skills, computer literacy, and word-processing skills.

ENRICHMENT CURRICULUM includes creative expression through art, music, dance, drama, fine arts, and physical education.

Family Worship Christian Academy utilizes A Beka curriculum, Eureka math curriculum, PhD science curriculum, the state guidebook, and Ignitia curriculum, along with an integration of state standards recommended by the State of Louisiana based on research in developmentally appropriate practice at every level. Other research-based curriculum is also integrated offer a diverse and well-rounded curricula experience for our students. We have added a STEAM lab (science, technology, engineering, arts, and math) to both campuses to help promote better understanding of concepts as well as to build critical thinking and problem solving skills that are an integral component necessary for success in higher mathematics and science courses.

ADMISSION/EVALUATION OF STUDENTS

NEW STUDENTS

New enrollments are accepted beginning in March of each year. A standardized test approved by FWCA **may** be used for grade placement of new students. Grade placement may be determined by the student's final report card from the previous year, previous standardized test scores, current standardized test scores, and/or recommendation of the previous school. FWCA **does not** enroll any student who was expelled from the previously enrolled school or school district for any reason.

RETURNING STUDENTS

All students are eligible for re-enrollment in February/March of each year unless there have been disciplinary or other issues that have resulted in specific terms to be met by the end of the school year. In such instances, re-admission is dependent upon the student's fulfillment of the terms stated in the behavior record/plan. Any student who fails to meet the terms required in the behavior plan will not be allowed to return to FWCA the following school year.

COMMITTEE/FACUTLY INVOLVEMENT

Student admissions, student evaluations, promotion and retention recommendations, and certain disciplinary issues are referred to committee members for a final decision regarding the placement and/or handling of students. Regarding discipline, faculty members are required to evaluate students who are under a behavior contract and recommend whether the student should return for the next school year. The decision of the committee members is final.

BEHAVIOR CONTRACTS

Students whose behavior has warranted a behavior contract may only re-enroll in a probationary status until the end of the school year. At that time, committee members will evaluate the student's progress during the period from March to May to determine if there was significant improvement in behavior. The committee has the final decision in who returns and who departs.

All Family Worship Christian Academy students shall comply with the dress code beginning on the first day of school. Deviations from the dress code are acceptable **only when announced by the principal**. Special attire may be allowed for programs and/or special events. Jeans with holes are not allowed at any time.

**Any student transferring from another school shall be given five (5) school days to purchase uniforms and comply with this policy.

Violators

When there are violations with the uniform, a parent shall be contacted to bring the proper uniform to school for the child to change. A letter will be given or mailed to parents stating the violation and reminding them that further disciplinary action will result from future violations. In some instances, detention may be assigned to violators.

Policies Affecting Students

Student Insurance

We do not offer student insurance to parents at this time. However, FWCA does provide accident insurance coverage for all students/staff.

Breakfast/Lunch Information

FWCA participates in the National School Breakfast/Lunch program and provides free, reduced, and full-priced meals for students daily. For paying students, lunch monies are

payable with the monthly tuition that is due by the 5th day of each month. At the beginning of the school year, parents must elect to either place their child in the lunch program or pay for meals. Students will remain on one lunch program throughout the year.

School Debt

Report cards will be withheld from non-scholarship students who owe tuition, meals, or other fees. All fees are expected to be paid as outlined in the student contract. Students owing fees for meals will continue to be served meals in spite of delinquencies in meal payments. It is the school's policy that student meals will not be withheld for failure to pay meal fees. However, failure to pay outstanding fees and/or fines by the end of the school year may result in collection procedures. All tuition accounts delinquent for 30 days or more will be reviewed and proceedings will be started for withdrawal of the student from Family Worship Christian Academy. Once a debt is settled, the student will be placed in right standing and all records will be released. Tuition-paying students must maintain a credit card contract on file with the office for payment of fees in the absence of another form of payment by the 5th day of each month.

ATTENDANCE

FWCA has clear expectations for student attendance. Students should arrive at school on time every school day, and they should be present and on time at each scheduled class or school obligation. Not only is regular attendance important for the individual student, but also the individual's participation is important for the group as a whole. All students must attend a **minimum of 160 days** of school per school term. After five (5) days of absences and again after ten (10) days of absences, a letter may be sent home to the parents. **Absences of 17 days or more are reported to the supervisor of Child Welfare and Attendance.** When a child has missed 17 days or more, the parents may be contacted by the Supervisor and/or District Attorney. Any exceptions will be brought to the attention of the principal for a final decision at the end of the year.

It is our belief that the FWCA calendar provides ample time off for our students at strategic points of the academic year. We sincerely hope that parents will support our calendar by not removing their child from classes on days immediately preceding or following a holiday.

The principal will designate any student absence as "excused" or "unexcused" based on state and/or parish laws.

ABSENCES FROM SCHOOL

1. (Reminder: The FWCA school calendar provides ample time for holidays and family vacations at strategic times during the academic year. The school strongly discourages parents from removing students from classes on the days before and after a holiday.)
2. All absences will be considered **unexcused** until a note from a parent is received explaining the nature of the absence so the principal can make an “excused” or “unexcused” determination.
3. When a student accumulates **10** or more absences in any class, ***either excused or unexcused***, there will be a review by an administrator.
4. Absences may only be excused when a written excuse is submitted within three (3) days of the student’s return to school.

EXCUSED ABSENCES

Examples of absences that may be considered excused are:

- Illness reported by a parent
- Medical or dental treatment
NOTE: Every effort should be made to schedule routine appointments (i.e. medical, dental, orthodontic) and the like during vacations and non-school hours.
- School sponsored academic, athletic, or extracurricular events
- College visits approved **in advance** by the College Counselor
- Attending a college representative’s meeting on campus with teacher’s prior permission
- Family emergencies
- Please note that excused absences count as an absence for perfect attendance purposes.

EXCUSED ABSENCE MAKE-UP WORK

Students should always strive to turn in work missed or assignments due during an excused absence before they are absent (i.e. athletic trips, etc.). Generally, the student may expect to submit all work missed within the same number of days he or she was absent. Students are responsible for scheduling an appointment with their teachers to confirm assignments or to request extra help. Teachers will make every effort to schedule a help session if needed.

Absences during exams can create serious academic problems. Any student who for any reason will not be present for scheduled exams should contact the office prior to the exams.

UNEXCUSED ABSENCES

Examples of absences that may be considered unexcused are:

- Family trips or vacations
- Attending an entertainment event or social function

The student is responsible for submitting all work missed during an **unexcused** absence on the day of return. Failure to submit work owed may result in the student receiving zeros on any or all incomplete assignments. Students are expected to be prepared for all academic work that takes place the day of their return. Tests that were missed must be completed by the date designated by the teacher.

CONSEQUENCES FOR UNEXCUSED ABSENCES

1. A student who receives an unexcused absence may or may not be permitted to make up the work missed in class. The individual teacher may choose to assign an appropriate grade penalty for all missed work.
2. A student who receives an unexcused absence may be placed in the disciplinary process.
3. A student who receives an unexcused absence may not participate in any athletic or extra curricular activities that afternoon or evening.

ANTICIPATED ABSENCES

An anticipated absence occurs when a student will be absent for one or more days of classes for a planned non-school event. These may include, but are not limited to, such things as college visits, participation in a non-school athletic event, or special educational/leadership seminar. These absences need to be **evaluated by the school** well in advance of the intended date(s) of absence. The evaluation rests with the principal. Anticipated absences may be determined to be excused or unexcused.

PROCEDURE:

1. A parent must call or send a note to the office at least 2 days prior to the absence stating the reason for the absence.
2. The student must have all teachers fill in assignments on an assignment form for the days the student will be absent. Students should attempt to turn in all assignments before departure unless the teacher directs otherwise.
3. The student should return the original form to the office before departure.
4. A copy of the completed form will be made for the student's use.
5. Failure to follow the above guidelines may result in disciplinary action.

UNEXCUSED ANTICIPATED ABSENCES

If the student and family decide to take an unexcused anticipated absence, the school will not require teachers to:

- prepare assignments for the time missed
- provide extra help to enable the student to catch up on work missed
- provide class notes or other assistance to the student

The student is responsible for submitting all work missed during an **unexcused** anticipated absence on the day of return. Failure to submit work owed may result in the student receiving zeros on any or all incomplete assignments. Students are expected to be prepared for all academic work that takes place the day of their return. This includes tests, quizzes, papers and any homework assignments. Tests that were missed must be completed by the date designated by the teacher.

CONSEQUENCES FOR UNEXCUSED ANTICIPATED ABSENCES

1. A student who receives an unexcused absence may or may not be permitted to make up the work missed in class. The individual departments may choose to assign an appropriate grade penalty for all missed work.
2. A student who receives an unexcused absence may be placed in the disciplinary process.
3. A student who receives an unexcused absence may not participate in any athletic or extra curricular activities that afternoon or evening.

LATE TO SCHOOL

Any student reporting late to school must sign in at the office and will automatically be given an unexcused admit slip unless a note from a parent or doctor clearly states that the tardy was unavoidable. Please be aware that arriving after the conclusion of a class will result in the student being marked as absent from that class and tardy for the class presently in progress.

Unacceptable reasons for morning tardiness include:

- Oversleeping for any reason other than documented illness
- Fatigue
- Unsubstantiated traffic or car problems
- Unspecified illness or general malaise
- General notes asking that a student be excused but given no reason why
- Non-emergency personal or family errands

TARDIES

All students are expected to arrive at school on time every day and arrive at all classes and obligations on time every day. While being tardy is unavoidable at times, the ultimate decision as to whether a tardy is considered excused or unexcused rests with the principal. **A student who is habitually tardy to class during the school day will be referred to the principal and may be placed in the disciplinary process.**

CONSEQUENCES FOR TARDIES

1. A student who accumulates three tardies in a semester (tardy to school or tardy to class during the school day) may serve a work detail at the earliest convenience of the work detail supervisor. Each additional tardy that semester may result in additional work details. Tardies are recorded starting at 8:00 a.m. daily.
2. A student who receives an unexcused late check-in after 8:30 a.m. may not participate in any athletic or extracurricular activities that afternoon or evening.
3. An extended record of tardies may result in more serious disciplinary action and/or tardies being converted into absences. **Excessive absences may result in a student being retained in the current grade the next school year.**

SIGN-IN/SIGN-OUT

1. **Arrival at School-** Students who do not use FWCA transportation are expected to be at school by 7:55 a.m. Students who arrive late to school must be signed in by a parent and receive an admit slip for class from the receptionist.
2. **Early Departure from School-** Students who must leave school for any reason other than school-sponsored events must be signed out by a parent. **Parents may not check students out after 2:20 p.m.**

NOTE: Unless the reason for checking out complies with the definition of “excused absence”, a student’s absence from any class due to an early departure from school shall be considered unexcused. The student may or may not be permitted to make up work and/or may suffer a grade penalty as a result of non-participation.

3. **Senior Privilege:**
 - a. Seniors who have signed permission forms are permitted to leave campus for trips to local food establishments without signing out at break or lunch. Signing out is required if seniors are leaving school and not returning **or** if seniors are leaving to go to any location other than local food establishments. Parents give this permission with the approval form. If a senior is signing out sick, FWCA will call the parent.
 - b. If a senior’s school day ends before 2:45 p.m., the senior must sign out in the office before leaving campus for the day.

SPECIAL CIRCUMSTANCES

Special circumstances may arise during the course of the year that requires a student to miss an extended period of school or schedule a recurring medical appointment during the academic day. FWCA will make every effort to work with students and families to ensure the student does not suffer academically should this occur. To help us prepare a plan of action for student, parents should meet with the principal before any class time is missed.

Enrichment classes receive a grade of S, N, U in grade levels K – 8. Grades of S, N, and U are not averaged in the grade point average of any grade level.

Promotion Policy: K5 – second graders must pass reading and math with a grade of 70% or above in order to be considered for promotion. A student in grades 3 – 12 who receives a grade of “F” in the final nine weeks period in any subject will fail the subject for the year. In addition, any student who fails to earn 4 quality points and an average grade of 70% in any subject will fail the subject for the year.

Progress Reports

Progress reports may be periodically sent home to parents. In addition, parents may access progress reports and student grades through Teacher Ease, the school’s online academic software accessed at www.teacherease.com. Parents who provide a current e-mail address to the child’s teacher at the beginning of the school year will be enrolled in Teacher Ease and may access student information from home. Students are encouraged to record test and quiz grades in their planner throughout the nine weeks period.

Report Cards

Report cards are issued to each student by the homeroom teacher at the end of each nine-week reporting period.

School Closure

During inclement weather, FWCA follows St. Landry Parish’s decision to close schools. FWCA uses Class Dojo and Remind apps to notify parents of any closures or emergency messages impacting the entire school.

Discipline Plan

Family Worship Christian Academy has established the provision of a quality educational and spiritual development program for each student in a safe school environment. Our environment is free of disruptions that interfere with the educational process. The purpose of this Discipline Plan is to inform all students and parents of expectations regarding behavior and conduct at FWCA.

This plan was developed to protect the rights of all students by:

- providing a school-wide discipline plan
- specifying the behavior that is expected of ALL students
- describing the broad range of student misconduct and providing appropriate disciplinary consequences for each type of misconduct.

Students and parents are expected to become familiar with the FWCA Discipline Plan and to adhere to the policies set forth in this plan.

Every faculty and staff member of Family Worship Christian Academy is authorized to hold every student to a strict accountability for any disorderly conduct in class, on the playground, any facility of the school, and/or any school-related activity.

Upon arrival at school (including boarding school-provided transportation), students are under jurisdiction of the school until the time of departure. All students must behave in an orderly manner at all times respecting the rights of school authorities and the rights of other students.

Students are responsible for any damages done to school property. Students causing damage(s) will be required to pay the cost of repairs.

Every student is expected to abide by and obey all rules put forth by the school.

Code of Conduct

By enrolling at FWCA, each student agrees to abide by the school's expectations and the spirit of those expectations, and parents agree to support the school's policies.

FWCA is a school community based on strong belief in mutual trust and self-responsibility. Students enjoy privileges and freedoms in day-to-day activities that are based on each student assuming responsibility for his or her actions.

It is important for students and parents to know the expectations for conduct set forth by the school community. These expectations grow out of genuine concern for each student's growth and development as a happy and healthy individual guided by strong moral and ethical values.

School Expectations

Family Worship Christian Academy expects that every student will:

- A. Be honest in all matters.** Lying, cheating, stealing, plagiarism and deceit are violations of integrity and honor.
- B. Respect teachers and fellow students.** Fighting with, intimidating, threatening or verbally abusing other members of the community will not be tolerated. There is to be no rude or disrespectful behaviors, inappropriate language or hazing, either physical or emotional. Any form of harassment (sexual, physical, racial, religious, ethnic, homophobic or emotional), coercion or abuse is detrimental to the school community and educational environment and will not be tolerated.
- C. Behave appropriately.** Students must respect the expectations of each teacher and of the school. Disruptive and disrespectful behavior is not acceptable.
- D. Take pride in keeping the FWCA campus a clean and beautiful place.** Students should dispose of all trash in appropriate receptacles as well as keep their area neat and clean. No food or drink is allowed in classrooms, the sanctuary, or computer lab except while under supervision of a faculty member.
- E. Meet all commitments and obligations.** All students are expected to be prompt in their attendance at all scheduled classes, study halls and activities.
- F. Not use tobacco, alcohol, drugs, or abuse prescription medications or any other substance.** Please see the Drug and Alcohol Policy.
- G. Behave in a way that reflects favorably upon FWCA.** Sportsmanship, courtesy and appropriate dress are the hallmarks of an FWCA student. Public displays of affection are not acceptable behavior.
- H. Respect and care for school property and the property of others.** Acts of vandalism, graffiti, property damage, malicious mischief and unauthorized or inappropriate computer use or use of data on a computer is unacceptable.
- I. Use common sense in their actions and consider their individual safety and the safety of others.** Weapons, fireworks, or explosives of any kind are not permitted on FWCA property or at FWCA events.

DISCIPLINARY PROCESS

Teachers generally handle minor infractions in the classroom, on campus, or at FWCA activities. Serious infractions of the Code of Conduct or repeated offenses of any kind may be referred to the principal or his/her designee. Students and families should be aware that any disciplinary action may be disclosed to third parties.

Disciplinary responses include but are not limited to:

- **Verbal Warning and/or Instructive Activity**
- **Loss of Privilege-** This may occur if a student demonstrates an inability to handle the associated responsibility that accompanies a specific privilege.
- **Administrative Intervention-** Counseling with an administrator or designee.
- **Paddling-** This may occur if a student progresses through the discipline cycle and continues to misbehave. Paddling is a disciplinary option of the school unless a parent submits a written request that a student receive a different form of discipline including but not limited to suspension from school. (See Corporal Punishment policy on page 19)
- **Work Detail-** This may be assigned for missed obligations or any other behavior that requires a disciplinary response. It is a period when students will work toward the improvement of the school. Work details will be held after school, during a free period, or before school at the discretion of the principal. Parents are responsible for transportation to and from FWCA should a student receive a work detail.
- **Suspension-** A student may be suspended for a violation of the Code of Conduct, repeated violations or continued unsatisfactory behavior.
 - **In School-** The student will report to the principal upon arrival on campus. The student will be expected to attend all classes and spend all free periods, breaks and lunch with the Principal or his/her designee. Additionally, the student will spend from 3:00 – 5:00 p.m. with the principal or his/her designee.
 - **Out-of-School** – This suspension occurs only for serious offenses because FWCA does not desire for students to miss academic class time. One reason for the suspension is to give the student some time at home to discuss with parents the commitment involved within the school’s community and the obligation of meeting its expectations. Also upon the student’s return, he or she will submit a written essay to the principal containing the student’s reflections on the incident that caused the suspension. The essay should also include thoughts on

commitment to FWCA and the student's plan for contributing in a positive way to the FWCA community.

- **Disciplinary Probation-** This is a period of trial during which the student is expected to demonstrate, through cooperative behavior and a positive attitude, that he or she truly wishes to remain a contributing part of the FWCA community and is capable of self-responsibility. Any additional major offenses or accumulation of minor offenses could result in separation from the school.
- **Dismissal-** A student may be dismissed from the school for a violation of a school expectation, an accumulation of violations or recurring unacceptable behavior. This is a removal from the school. The student may apply for readmission after a specified length of time.
- **Expulsion-** A student may be expelled from the school for a violation of a school expectation, an accumulation of violations or recurring unacceptable behavior. The student will not be considered for readmission and may not enroll in any school in the parish during the current school year.

SEPARATION FROM FWCA

Any student who withdraws from FWCA pending any disciplinary or honor action or is dismissed or expelled will not be permitted on the FWCA campus nor permitted to attend any FWCA-sponsored function unless officially readmitted to the school.

Discipline Confession

I am a disciple taught of the Lord; obedient to God's will, with great peace and undisturbed composure.

I obey God, my parents, and my teachers because they have authority over me.

I hear the voice of God and the voice of a stranger I will not follow.

I choose wise friends, and I am wise. I am ten times wiser than the children of the world. I have been blessed with exceptional wisdom and understanding. I am growing in the stature of Christ and in favor with God and man. The wisdom of God is formed in me.

God is working in me to know His will and to do His good pleasure.

As a child, I am being trained from the Word of God in the way that I should go, and when I am older, I will Not depart from it.

The blood of Jesus protects me, and no weapon that is formed against me shall prosper.

I am blessed because I keep God's commandments. His Word is forever settled in Heaven. He performs and confirms His Word with signs following in my life.

In Jesus' name, I hold fast to my confession of faith.

Bullying, Threatening or Violent Behavior

Family Worship Christian Academy is committed to maintaining a safe and secure school environment. Therefore, there is zero tolerance of bullying, threatening or violent behavior exhibited on campus or at school-sponsored activities. Sexual Harassment

Sexual harassment is a form of misconduct which undermines the integrity of Family Worship Christian Academy's employment and academic relationships. All employees and students must be allowed to work in an environment free from unsolicited and unwelcomed sexual overtures. Sexual harassment refers to behavior which is not welcomed, which is personally offensive, which debilitates morals, and which therefore interferes with the working or learning effectiveness of its victims and their peers. Individuals who experience sexual harassment should make it clear that such behavior is offensive to them and may process a complaint pursuant to this policy.

Violation of this policy shall result in disciplinary action against any employees or student involved, including possible termination of the employee and expulsion of the pupil. Employees who fail to follow the policy or fail to investigate shall also be disciplined.

Sexual harassment is a prohibited action when it results in discrimination for or against an employee or student on the basis of conduct not related to their working or learning performance. Such practice would include any job related or academic action that is based upon an individual's acceptance of, resistance to, or refusal of sexual overtures. This form of sexual harassment may be more difficult for employees or students to cope with when individuals offer or threaten to use the power of their position to control, influence, or affect the career, salary, or job of another employee, or academic status of a student in exchange for sexual favors.

It is possible for sexual harassment to occur at various levels among peers or co-workers, between supervisors and subordinates, between employees and students, or imposed by non-employee and /or students. In fulfilling our obligation to maintain a positive and productive working and learning environment, Family Worship Christian Academy will make every attempt to halt any harassment as soon as it is reported to the proper school officials.

- a. Sexually oriented communication, including sexually oriented verbal "kidding" or harassment or abuse.
- b. Subtle pressure or request for sexual activity.
- c. Persistent unwelcomed attempts to change a professional relationship into a personal, social-sexual relationship.

- d. Creating a hostile work or learning environment, including the use of innuendoes or overt or implied threats.
- e. Unnecessary touching of an individual, e.g. patting, pinching, hugging, repeated brushing against another person's body.
- f. Requesting or demanding sexual favors accompanied by implied or overt threats concerning an individual's employment or a pupil's status.
- g. Requesting or demanding sexual favors accompanied by an implied or overt promise of preferential treatment with regard to an individual's employment or a pupil's status.
- h. Sexual assault or battery as defined by current law.

Procedures

1. A person who believes they have been subject to sexual harassment should discuss the problem with their immediate supervisor. Students should discuss the problem with their principal or another certified staff member.
2. If an employer's immediate supervisor is the object of a harassment complaint, the employee may bypass the supervisor and report directly to the Bishop or Pastor.
3. Regardless of the means selected for resolving the problem, the initiation of a complaint of sexual harassment will not affect the person's employment, compensation or work assignment unless it is determined that improper conduct occurred. The initiation of a complaint shall not adversely affect the job security or status of an employee.
4. If a finding of facts determines that the employee or student acted improperly, appropriate action shall be taken.
5. Strict confidentiality shall be maintained throughout the complaint procedure.

Any person who believes he or she has been sexually harassed may file a written or oral complaint with the Director of Personnel or the Director of the Office of Civil Rights, Department of Health, Education, and Welfare, Washington, D. C. 20201.

DRUG AND ALCOHOL POLICY

FWCA is committed to a drug and alcohol free environment for students at FWCA, to providing appropriate drug and alcohol education for our students, and to treating involvement with drugs and alcohol as a health issue as well as a disciplinary issue. Alcohol and drug involvement are violations of the laws of the State of Louisiana and incompatible with the school's mission and its daily operation.

PROHIBITION FROM CAMPUS AND SCHOOL-SPONSORED EVENTS

FWCA expects that every student will not use tobacco or drugs, or abuse prescription medication or any other substance. Use of any of these and/or being under their influence on the FWCA campus or at any activity where FWCA is either a participant or sponsor is prohibited. In addition, the act of or the attempt to purchase, procure, possess, distribute, sell or share alcohol, other drugs and controlled substances or tier paraphernalia is prohibited. Any violation of this policy will result in disciplinary actions, up to and including separation from the school.

COMMUNICATION TO FAMILIES REGARDING SUSPICION OF USE

Very often an individual's behavior, demeanor and habits will change if he or she becomes very involved with the use of drugs and/or alcohol. If any faculty member in their daily contact with a student, become suspicious regarding a student's possible use of alcohol or drugs, parents can expect to be contacted by the school to schedule a conference to develop a plan of action to address the school's concerns.

Recommendations may include:

- Referral to a family physician for a physical examination
- Referral to a professional for individual and/or family counseling
- Referral for a school approved chemical dependency assessment unit, which may include drug screening and/or psychological counseling.

VIOLATIONS OF THE DRUG AND ALCOHOL POLICY

Any student in possession of drugs, alcohol or any other mood-altering substance, or any student under the influence of drugs, alcohol or any other mood-altering substance at any time on school campus, while attending a school-sponsored activity or while on school transportation is in violation of the Drug and Alcohol Policy and subject to

disciplinary action. The school will contact the parent of the student immediately regarding drug and/or alcohol violations.

If a student is suspected of being under the influence of drugs, alcohol or any other mood-altering substance during the school day, parents will be called to pick up the student from school. The student will be required to go directly to a school-approved drug-testing agency to take a drug-screening test. The school will be given the results of the drug test. If the results are positive for any drugs and/or alcohol, or if the student refuses to take the required drug-screening tests, the student may be separated from school.

FWCA reserves the right to require a drug test for any student at any time.

PRESCRIBED MEDICATION

Students who have medication specifically prescribed by a physician to treat medical conditions and need to receive doses during the school day must have an Administration of Medication Form completed by the prescribing physician and on file in the main office. Students must keep their medication in the school office.

Any student who “shares,” sells, or in any other way distributes his or her prescribed medication with another member or seeks to procure same from another member of the FWCA community will be subject to disciplinary action up to and including separation from school.

INABILITY TO FUNCTION

If a student is unable to function during the school day for any reason, the student’s parents will be contacted to pick the student up from school immediately. The parent, student, and the principal will meet the following morning to discuss the issue.

SEARCH AND SEIZURE POLICY

To maintain order and discipline on school property and at school-related events and to protect the safety and welfare of students and school personnel, Family Worship Christian Academy has the right to perform unannounced inspections and searches and to seize contraband, and has the right to perform physical searches of students to determine whether they pose a threat to themselves or others. The principal and authorized staff members may search a student’s pockets, purse, backpack, book bag, gym bag or other personal property, as well as student vehicle, student lockers, desks or other school property.

No student may possess an illegal substance, object, or contraband that constitutes a threat to the health, safety and welfare of any person or persons on school property. Contraband is all substances and materials prohibited by school policy, state or federal law including

but not limited to controlled substances, drugs, alcohol, tobacco products, guns, knives, multi-purpose tools such as the Leatherman, weapons, or incendiary devices. All items deemed to be illegal, illicit, disruptive or a general nuisance of the mission of FWCA will be seized. Students are at all times responsible for the contents of their locker(s), desk, vehicle, pockets, purse, backpack, book bag and gym bag, cell phone, laptop, and any and all electronic devices. Any contraband seized will be used as evidence in any disciplinary or legal proceedings.

SENIORS AND COLLEGE ADMISSIONS

Any senior student who experiences a change in disciplinary status or who leaves FWCA for any reason will be given ten (10) workdays to notify the admissions offices at the colleges and universities to which he or she has applied. The College Counselor has the professional obligation to notify all admissions offices to which the student has applied that the student's disciplinary status has changed or that the student is no longer a member of the FWCA community.

STUDENT DROP-OFF/PARENT PICK-UP

All students arriving prior to 7:45 a.m. must be dropped off at their grade level campus. Pre-k – 1st grades are located on our South Campus (across from church). 2nd – 12th grades are located at our North Campus (new building). Students arriving after 7:45 a.m. for South Campus must be dropped off at North Campus to meet their class for breakfast. All late check-ins require that an adult comes into the main office on North Campus to sign the student in and receive a late slip. Students should arrive no later than 8:00 a.m. Starting at 8:01 a.m., parents must sign the student in on North Campus and receive a tardy slip. ****NOTE:** This handbook contains the official drop-off procedures. We will use a modified drop-off procedure to begin the school year until the new cafeteria building is completed. At that time, the procedures listed will become effective. Parents will be notified when the new procedures take effect. In the meantime, students on South Campus are dropped off until 8:00 a.m. daily. After 8:00, parents must go to North Campus to check the student in.

Afternoon pickup is as follows: Pre-K and rear building K5 students are picked up in the rear of the campus via the last driveway. **Parents may not begin driving past the cones until the bus(s) and/or van have departed** (usually by 2:43). Parents arriving before the bus/van has entered the campus must form a line across the street on the church parking lot until the campus is opened for vehicles to begin picking up students. Students

will not be loaded into vehicles until 2:45 daily. Due to liability issues, parents are not allowed to park and walk to pick up students from the rear buildings. First grade students are picked up under the canopy on the south campus. All 2nd – HS students are picked up at the North Campus. Parents must drive under the canopy to pickup students on the North Campus. Parents are not allowed to walk into the building to get students after 2:20 p.m.

Please keep in mind that the speed limit on campus is 5 mph. Any vehicle traveling at a higher rate of speed or caught cutting the line will be flagged and may lose the privilege of driving on campus. If this occurs, the individual must park across the street and walk to pick up students from the designated location.

GUESTS OR VISITORS ON CAMPUS

Upon arrival on the school campus, guest/visitors must check in at the front office with the receptionist before attempting to go to any other part of the campus.

At no time should students have cell phones on campus. Students may keep a cell phone in their vehicle only. Violation will result in disciplinary action including suspension.

STUDENT ACTIVITIES AND SERVICES

“CALL TO WORSHIP”

Call to Worship is an integral part of the school week. It is a time when the school community comes together to celebrate God's goodness, explore and nourish daily life with God and neighbor, and fellowship as a school community. In addition, students are allowed to share some of the things they are learning in their classes and display talents and special abilities. Occasionally, there are special games, activities, and/or movies for the student body to enjoy. Attendance at Call to Worship is mandatory for all students and faculty. Call to Worship is held on Wednesdays at 12:00 for SC and 1:30 for NC for the student body and faculty.

ADVISING AND COUNSELING

ACADEMIC COUNSELING: The academic progress of each student is monitored throughout the year. Regular grade level meetings and teachers' individual contact with the principal focus consistent attention to the academic needs of each student. Monitoring a student's academic career will include an overall plan to meet the individual's academic needs, an ongoing assessment and placement in appropriate classes as a student's performance demands, and the identification of appropriate measures to help the student maximize his or her academic success at FWCA. Academic conferences with students, teachers, and parents may be arranged when appropriate.

Parents are encouraged to speak to their student's teacher, advisor, or the principal regarding concerns about the academic progress of their student.

TEACHER EASE

www.teacherease.com

FWCA has invested in an online program that allows teachers, administrators, and parents to access student information, student progress, payment status, behavior records, lunch menus, and other information via the Internet. Parents may provide an e-mail address to a student's teacher at the beginning of the school year in order to secure a username and password to access Teacher Ease. Parents may view class assignments, quiz and test schedules, current grades and averages, and teacher comments. Parents may also e-mail a student's teacher when needed.

STATE APPROVAL

FWCA is fully approved by the State of Louisiana for grades Pre-K – 12. State approval affords the school the opportunity to obtain federal and state funding. In addition, state-approved private schools experience a seamless transition for students enrolling to and from public and state-approved private schools within the state. Students **enrolling into** FWCA must have met the state and parish's requirements for promotion in order to be promoted to the next grade level. **FWCA strictly follows the previous school's recommendation for grade placement. There are no exceptions.**

State Testing

All scholarship students are required to take the mandated state exams in the spring of each year. Non-scholarship students are not required to take the exams at this time; however, parents may elect to have their child take the exams with testing students. FWCA does not require that students pass the exams in order to be promoted to the next grade; however, scores are considered, along with grades, when making promotion/retention recommendations.

Additional information about state-approved nonpublic schools may be found at www.louisianabelieves.com .

FINANCIAL ASSISTANCE/ECONOMIC HARDSHIP

Financial assistance is available to students on an as-needed basis when funds are available. Funding is provided through LifeSavers Worldwide and/or FWCA Financial Assistance. In the event of an economic hardship, a parent may request a reduction and/or waiver of fees/fines. Special consideration is given to students who are experiencing financial hardships. Students who receive the La Scholarship for Excellence automatically receive a waiver of fees upon request. Applications may be obtained from the school office. Assistance may be impacted by the student's grades, behavior, and participation in school-sponsored fundraisers during the school year.
