■ The Recovery Checklist

A step-by-step diagnostic to find exactly where your revenue is hiding.

■ Common Language Scripts

Pre-written email and social templates that sound like a human, not a robot.

■ The 30-Day Rhythm Calendar

A simple schedule to keep your brand top-of-mind without being a nuisance.

30-DAY GUIDE TO SUCCESS

Your Roadmap to Lead Recovery

Week 1-2: Setup

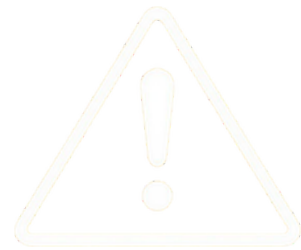

Set up integrations and audit your current lead capture points.

Week 3-4: Scale

Optimize templates and segment your dormant contacts.

BEFORE & AFTER PRODIGAL INBOX

Before: Lost Opportunities

Leads slip through the cracks. Manual tracking wastes hours. Opportunities are lost forever.

After: Recovered Revenue

Automated lead capture from email and social media. Revenue recovered automatically.
