Our October ended with an exciting all-treats Halloween celebration! During this event, the children in their spook-tacular and boo-tiful costumes had a great time decorating their treat bags, making monster crafts, dancing with friends and doing scavenger hunt. Everyone went home with bagful of sweet treats. A BIG thank you to all parents who brought in treats for the children!

Check out our Instagram page for more Halloween photos.

INDOOR FUN

They showed us creative ways to play with the cardboard tube.

The children enjoyed Miss Tricia's colorful rice sensory bin for weeks! The children practised scooping and pouring; added construction vehicles; mixed it with clay and even made music shakers.

Engaging sensory explorations: with Miss Darcy's pumpkin activity; painting with discs and cars; making snacks with play dough; craft making with wood shavings and jello rescue activity.
