

**DILLARD
ASSOCIATES**

dillardassociates.com

We are excited to announce that **Dillard Associates has been appointed the manufacturer's representative for Reliance Worldwide Corporation (RWC) brands across the state of Texas.**

This partnership expands our ability to provide complete plumbing solutions through some of the industry's most trusted brands:

SharkBite® – Innovative push-to-connect fittings and PEX piping systems

HoldRite® – Engineered plumbing and mechanical support solutions

Cash Acme® – Water control valves and pressure management products

Eastman® – Appliance connectors, supply lines, stop valves, and accessories

John Guest® - Push-to-connect technologies for drinks dispense, pure water and pneumatics

EZ-FLO® – Professional plumbing and repair products

RWC's family of brands is built around one goal making plumbing easier, safer, and more efficient. Together, these product lines offer integrated solutions that work seamlessly from rough-in to finish.

As your trusted partner, Dillard Associates is committed to providing the local technical expertise, product knowledge, and customer support you've relied on for over 100 years.

We're excited to bring these outstanding brands to customers throughout Texas and look forward to supporting your next project.

Contact your Dillard Associates representative today to learn more about the RWC family of brands.
