

We Take Care of Everything

Welcome to our AI Chatbot Customization service! Below is a comprehensive list of customization options available to tailor your chatbot according to your brand and business needs.

1. Themes

- **Dark Theme**
 - Light Theme
-

2. Chatbox Headline Customization

- **Color:** Customize the headline color to align with your brand's color palette.
- **Text:** Personalize the headline text to display any message or tagline you prefer.

Example: "Welcome to [Your Company Name]!"

3. Chatbot Logic & Training

- **Customization:** We tailor the chatbot's logic and training based on your specific company requirements.
 - **Functionality:** The bot is trained to answer user queries effectively and reflect your company's expertise.
-

4. Bot Name

- **Personalization:** Name your bot anything you like to make it more relatable and engaging for users.

Example: "Ask Buddy" or "Support Ninja."

5. Chat Icon & Color

- Icon Selection: Choose from over 1000+ chat icon options to best represent your brand.
 - Color Customization: Customize the chat icon color to match your brand's identity.
-

6. Profile Picture

- Brand Logo: Use your company's logo as the chatbot's profile picture.
 - Alternative Images: Alternatively, you can use any other image of your choice.
-

7. User Message Customization

- Color: Customize the color of user messages in the chatbox to match the chatbox headline.
-

8. Suggested Questions

- Customization: Include pre-set questions in the chatbox to guide users in starting a conversation.

Example: "What are your business hours?"

9. Redirection Links & Emails

- Inclusion: Easily integrate emails and hyperlinks within the chatbot logic to provide seamless redirection for users.

Example: "Click here to visit our website" or "Email us at [support@yourcompany.com]."

If you have any special requests or need further customization, feel free to reach out to us. We're here to help you create the perfect chatbot for your business!
