Camping and Stabling

Moss Vale Showground is 2 mins drive north of the town centre. Turn at the roundabout onto Robertson Road. Enter via second double gates. Stables and amenities block can be found straight down the Showground Road. Stabling includes 15 fully enclosed stables plus 30 covered stalls with secure double chain closures. The Showground offers well grassed camping sites with access to power and water. Private showers with ample hot water. Exercise area and horse washing facilities are available.

HORSE SECTION – Regulations

All competition at this show is governed by these regulations and by the Agricultural Societies Council of NSW Rules for Discipline in Horse Sections at Shows which can be viewed at www.agshowsnsw.org.au. Should it become necessary for the ASC Disciplinary Committee to open an inquiry into any aspect of competition in this Horse Section, this Society will support any penalty imposed by that Committee as a result of the inquiry and will support penalties resulting from enquiries arising from Horse Section at other NSW Shows.

INDEMNITY AND WAIVER FORMS: The Horse Committee will take all care in managing the Section, but competitors taking part in this Horse Section do so at their own risk. Each adult competitor must, before competing, complete and sign a form indemnifying the Moss Vale & district A H & I Show Society Inc. and waiving any claims against the Society for any injury sustained in competition or for loss or damage to the competitor's property or damage caused by the competitor or his/her animal(s) at the Show. A similar form must also be completed and signed by a parent or guardian for each competitor who is under 18 years of age. ALSO, on each Waiver each horse with which the competitor is involved in competition at the Show must be listed together with the Property Identification Code (PIC) of the property from which the horse came to the Show. All competitors must wear the wristband issued when the waiver is signed. People not competing or people who have not signed the waiver and are not wearing a wristband are not permitted to be on the judging arena.

REFUSAL OF ENTRY/ALTERATION OF SCHEDULE: The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the schedule to meet emerging circumstances.

EXERCISING: Horses may be exercised in the main arena between 7:00 am and 8:30 am.

DISTRICT/LOCAL CLASSES: Horses and/or riders must have been resident for at least three months prior to the show within a 50 kilometre radius of the showground.

JUDGE'S DECISION/DISCRETION: The judge is empowered to withhold any or all prizes in any class where the exhibits are, in his/her opinion, unworthy of the prize, and at all times the judge's decision will be final. A judge has the discretion to ask that a led or performance exhibit and handler / rider / driver be ordered to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.

MEMBERS CLASSES: For financial members of the Moss Vale & District A H & I Society Inc.

NOVICE HACK, GALLOWAY, PONY: A Novice has not won a First Place at any Show.

SHOW HUNTERS: Horses in these classes may not also compete in Ridden Hack, Galloway or Pony classes.

RIDDEN HACK, GALLOWAY, PONY: Horses in these classes may not also compete in Show Hunter classes.

STALLIONS: Stallions must be wearing a bit at all times when being led and must be under the control of a person 17 years of age or older. They must be supervised at all times and securely fastened when tied to the outside of a truck or float. They are not eligible to compete in ridden classes unless their eligibility is specifically stated in the schedule.

PONIES WITH ADULT RIDERS: Ponies may be ridden by adults unless otherwise stated in the schedule. Lateness to the Ring: Competitors must be ready when called. Once judging has commenced, a competing horse shall not be led, ridden or driven into or out of the judging ring without the permission of the Judge, Ringmaster and or Chief Steward.

LEAVING THE RING: If a led horse should drag or escape from its handler or a ridden or driven horse takes control of or unseats its rider and leaves the ring, it is usually disqualified from the class.

HORSE MEASURING: No official measuring will take place at the show, but, if a question about height arises, proof of height may be required. In the absence of proof, a decision will be at the absolute discretion of the Ring Master or Chief Steward.

ATTIRE: Competitors must be appropriately attired for the competition in which they are competing.

HELMETS: All riders must wear a safety helmet compliant with the current Australian Standard.

FOOTWEAR: All competitors must wear appropriate footwear when leading or riding a horse. When riding, the footwear must enable removal of the foot from the stirrup.

CRUELTY: Persons who are considered by the Ringmaster or Chief Steward to be abusive or cruel to a horse will be expelled from the ground. No horse will be permitted to compete if, in the opinion of the Ringmaster or Chief Steward, it is in poor health or condition.

DRUGS: Drug testing may be carried out at this show.

APPROACHING JUDGES: No exhibitor or associate will initiate conversation with a judge on judging day, before, during or after judging except through the Ringmaster or Chief Steward.

PROHIBITED RELATIONSHIP: No competitor will present for judging before a judge with whom he/she has a family relationship, has or has recently had a personal relationship or has had horse related business dealings during the past twelve months.

COACHING: Any person detected coaching a competitor while that competitor is being judged may be removed from the showground.

PROPER CONDUCT: Any exhibitor or associate who behaves offensively on the Showground will be expelled from the ground, may be banned from the show in future and may be banned by other societies.

PROTESTS: A protest or complaint against any exhibit or exhibitor may be lodged verbally with the Ringmaster or Chief Steward no later than ten minutes after the judging of the exhibit or exhibitor. The Ringmaster or Chief Steward must be provided with the exact nature of the complaint and act, if necessary, to maintain competitive fairness. The Ringmaster or Chief Steward may choose to refer the matter to the Protests Committee, which shall comprise the President of the Society, or a Vice President and two other members of the General Committee. A protest or complaint or an appeal against the decision of the Ringmaster or Chief Steward may be lodged in writing with the Secretary no later than 10 pm on the day of judging. Such protest, complaint or appeal shall be accompanied by a deposit of \$50 which shall be forfeited if the protest, complaint or appeal proves to be frivolous or vexatious. A matter lodged this way shall be dealt with by the Protests Committee within 24 hours of lodgment and the decision of the Protest Committee shall be final. NB: No protest or complaint will be considered if it refers simply to a judge's decision.

VETERINARIAN: The Moss Vale & District A H & I Society Inc. will take all care in managing the event but will not be responsible for any injuries to livestock whilst on its ground. A veterinarian will be available to call during the show.

District Classes

All Riders & Horses in District Classes to be residents of the Wingecarribee Shire (within the last 3 months) and within a 50km radius of the showground.

Online: \$7 per class via Global Entries

On the day: \$10 per class

SHOWJUMPING

Friday 13 & Saturday 14 March

****All Entries via Global Entries Online****

Horse Office will be open from 7.30am Friday and 7.00am Saturday. Upon arrival all competitors MUST COMPLETE A RISK WAIVER FORM which can be downloaded from the website: <https://mossvaleshowociety.com.au/> or filled out at the horse office.

For any problems with entries or Global Entries Online please contact Pippa 0488 473 446.

Conditions of Entry:

- To compete in official classes all horse & riders must be registered with EA.
- Official Classes are those that are 1.05m or above in height with more than \$200 prize money and more than 15 started horses.
- Height Classes: Horses may only compete in three (3) consecutive classes per day (one (1) round per horse per event). No HC rounds.
- Riders are required to wear approved EA helmet standards and correct riding attire, i.e. shirts Tie Jacket. Jackets may be removed at the judge's discretion.
- Stallions must be wearing a bit and green disks at all times and adhere to EA stallion Rules.
- No refunds for classes after entries have closed.
- There will be no waiting for riders at the conclusion of each class.
- Any prize money not collected by Saturday afternoon will be donated back to the show society.
- Entries available on the day will incur \$10 admin fee on top of the entry fee.

NATIONAL CATTLE HEALTH DECLARATION EXPLANATORY NOTES

OVERVIEW

The Cattle Health Declaration is a legal document. Please complete accurately before signing.

Cattle Health Declarations are a way for producers to provide information about the health status of the cattle they are selling. Buyers should ask vendors for a Declaration and use the information provided to determine the health risks associated with the animals on offer.

Some states/territories require testing or certification additional to that outlined in this document e.g. John's disease (JD) in WA and for Enzootic Bovine Leucosis (EBL) in Tasmania. Please check the entry requirements for any interstate movements at:

www.animalhealthaustralia.com.au/what-we-do/epidemic-disease/livestock-movements

The original of this form is to be attached to the National Vendor Declaration (NVD) form accompanying the cattle, if applicable. A duplicate remains with the vendor; it is recommended the vendor retains a copy of this declaration for seven (7) years.

QUESTIONS 3 & 4: BOVINE VIRAL DIARRHOEA VIRUS (PESTIVIRUS) TESTING

Persistently infected animals can be detected by conducting a pestivirus antigen test. This test only needs to be conducted once in an animal's life. Cattle that test positive in most cases are persistently infected animals. Pestivirus antibody testing may be done to check the pestivirus status of the herd. Dairy cattle may be tested through bulk milk testing. Contact your veterinarian for assistance. Producers who don't know the answer to these questions should tick the 'N' box.

QUESTION 5: JOHNE'S DISEASE TESTING

Note: JD is a notifiable disease, so it is important to answer these questions.

Check test – testing of 50 adult animals in the herd (or all eligible animals in a herd if less than 50 adult animals) biased to increase the probability of detecting infection, tested by (pooled) faecal culture or (pooled) HT-J faecal PCR. An ELISA test is available but is not recommended and also not accepted for entry of cattle to WA.

Sample test – screening of the adult herd or a large representative sample of the adult herd by an approved test (pooled) faecal culture or (pooled) HT-J faecal PCR. See note above for ELISA test.

Herd Environmental Culture (HEC) Check Test (for dairy cattle) – a test of a representative sample of faecal material from the yard (see ID in [Cattle Definitions & Guidelines](http://www.animalhealthaustralia.com.au/jd-cattle-tools) for details). Details are available at www.animalhealthaustralia.com.au/jd-cattle-tools.

QUESTIONS 6 & 7: JOHNE'S DISEASE

Occurrence of JD refers to clinical disease in the herd or on the property(s). Clinical disease is an infected animal with chronic diarrhoea and weight-loss that does not respond to treatment.

The **John's Beef Assurance Score** (J-BAS) is a voluntary tool developed for JD risk profiling. Details are available at www.animalhealthaustralia.com.au/jd-cattle-tools. The J-BAS is an initial guide and purchasers should ask for more information about JD in the origin herd (see the JD in Cattle Biosecurity Checklist on the 'JD in cattle' webpage). The *National Farm Biosecurity Reference Manual - Grazing Livestock Production* provides a template to use for the property biosecurity plan. All plans should include the JD in Cattle Biosecurity Plan Checklist.

The **John's Disease Dairy Score** (JDDS) is a voluntary tool for JD risk profiling in dairy cattle. Information is available at www.dairyaustralia.com.au/bjd

Grazing of non-bovine species – Buyers of cattle from this consignment may consider the grazing of other JD-susceptible species (sheep, goats, alpacas) on the source property as important to their risk-management decisions. These buyers are entitled to seek information on how you have managed disease risks for all your livestock.

TREATMENTS & VACCINATIONS

Provide details on any cattle treatments in the last six (6) months and vaccinations within the last twelve (12) months.

Some manufacturers include more than one of the categories listed in the same vaccine, known as a combination vaccine. If you use a combination vaccine, each agent(s), as appropriate, should be detailed.

For vaccinations to be current, you must have followed the manufacturer's recommendation for vaccination. Typically, young animals or first time vaccinated animals need two (2) doses, followed by annual boosters. As variations to this general rule do occur (e.g. Silirum is given once only), you must use the manufacturer's recommendations.

At the date the declaration is made and as a result of the vaccination(s) given, the animals are considered protected from the diseases marked as treated.

DECLARATION

This section must only be completed by the owner or person responsible for the husbandry of the cattle in the consignment.

For more information on what is fit to travel, please see *MLA's Is it fit to load?* at www.mla.com.au/isitfitload.

For more information on biosecurity go to www.farmbiosecurity.com.au
