POWER TRAIN LIMITED WARRANTY

Covered Components

ENGINE: Cylinder head, Engine block, Internally lubricated engine parts; Intake manifold. Not covered: oil leaks, solenoids, turbo chargers superchargers and timing drive components.

TRANSMISSION: (Automatic or Manual) Transmission case and all internal parts requiring lubrication. Torque converter and housing. Manual transmission. Four Wheel Drive transfer case and all internal parts requiring lubrication. Not covered: all clutch components, oil leaks, and solenoids.

DRIVE AXLE: Drive axle and all internal parts requiring lubrication; Universal joints and constant velocity joints (if no damage to cv boots); drive shaft, yokes and drive shaft carrier. Hub/wheel bearings are not covered.

SEALS AND GASKETS: Head Gaskets are covered for coolant leaks only. All other seals and gaskets are covered only when needed on a covered repair.

LABOR: Labor time for repair shall be based on industry standards. Labor rate will not exceed \$60.00 per hour.

TOWING: If your vehicle needs towed due to the failure of a covered component we will reimburse you up to a maximum of \$50.

AIR CONDITIONING is an EXTRA COST OPTION for factory installed front Air Conditioning Systems. The following components are covered when this optional coverage is purchased: Compressor, clutch, coil, evaporator, condenser, accumulator/dryer, and expansion valve. Not Covered: Evacuate, recharge, flush, refrigerant and R12 Systems (Freon) and rear air conditioners.

TERMS AND CONDITIONS: This limited warranty is between the vehicle owner stated above and Auto Pro Warranty Company, LLC. Auto Pro Warranty Company, LLC will make payment to you or the repair shop for the repair or replacement of components covered by this limited warranty that are found to be defective or worn beyond serviceable limits though normal wear and tear. Coverage begins when this application and payment are received and approved by Auto Pro Warranty Company, LLC and will be in effect for the time or mileage period whichever occurs first as specified on the contract. The covered component failure must occur during the limited warranty coverage period under normal usage. Any claim within 250 miles of current odometer reading shown above will be considered a pre-existing condition and will not be covered. Any listed components that fail prior to the approval by Auto Pro Warranty Company, LLC of this limited warranty application are not covered. Only components listed above are covered. No other components are covered regardless of cause of failure. Replacement components shall be of the same type, quality and mileage as those removed which may include used, reconditioned or after market components. Other items not covered include but not limited to; oil consumption, damage resulting from improperly maintaining or failing to maintain the vehicle; damage that results from any previous or improper repair; damage from theft, fire, accident, conditions of the environment, including rust and corrosion; damage from overheating; damage that results from altering, misusing or tampering with the vehicle; damage that results from making improper adjustments or using improper fuels or fluids; damage to a covered component caused by failure of a non-covered component; fluid leaks and damage caused by fluid leaks. Continued operation after the initial failure that results in further damage is considered abuse and is not covered. Preventative maintenance of covered vehicle is the responsibility of the vehicle owner which will include but not limited to parts and labor, fluids, oil, filters, fan belts, radiator hoses and radiator thermostat or any part of the vehicle that is subject to normal wear and tear. Mismatched tires will void four wheel or all wheel drive components. An inoperative, malfunctioning or altered odometer will void this limited warranty. Auto Pro Warranty Company, LLC will not be responsible for lost time or any inconvenience caused by the loss of usage of your vehicle; the quality of the repair by the repair facility or for any other incidental or consequential damages you may have. Vehicle owner is responsible for the following charges on a covered repair: Sales tax, fluids, tear down and diagnosis. The deductible amount per claim on this limited warranty is \$100 per occurrence. Vehicle owner is responsible for maintaining the vehicle properly and in accordance with manufacturers specifications and must retain receipts of any work or maintenance performed. At our option we may request copies of these maintenance receipts. Repairs done outside of the Continental United States will not be covered. **CLAIM PROCEDURE:** Covered vehicle must be at a qualified repair center of your choice to open a claim. The repair center must call Auto Pro Warranty Company, LLC at 888-442-7555 to initiate a claim. Once a claim has been initiated the repair center must provide Auto Pro Warranty company, LLC with an estimate of repairs BEFORE the repairs have begun. Auto Pro Warranty Company, LLC will not cover any repair done without prior authorization. Proper diagnosis may require tear down to point of failure. Diagnosis and tear down charges are the responsibility of the vehicle owner. When it is determined that a covered component has failed an authorization number will be issued for the repair. Authorization numbers
