Year: _____ Make: _____ Model: _____ Current Odometer Reading: _____

ULTRA

Covered Components

ENGINE: All internal engine parts lubricated and non-lubricated including Cylinder Heads and Engine Block. All timing drive components: Timing chain, timing belt and timing gears. Intake manifold for coolant leaks. Powertrain control module. Engine control module. Sensors: O2, MAP, TPS, Crank and Cam. Engine oil leaks are not covered.

TRANSMISSION: (Automatic or Manual) Transmission case and all internal parts. Torque converter and housing. Transmission control module. External transmission sensors. Front and Rear axles. Transfer case actuators. Manual transmission Clutch components are not covered. Four Wheel Drive transfer case and all internal parts.

DRIVE AXLE: Drive axle and all internal parts requiring lubrication; Universal joints, constant velocity joints and axle bearings; drive shaft, yokes and drive shaft carrier. Hub / wheel bearings are not covered.

COOLING SYSTEM: Primary water pump. Radiator fan & fan clutch and fan motor. Coolant recovery tank.

STEERING: Power Steering Pump. Steering gear housing and all internal parts. Rack and pinion housing and all internal parts. Power steering lines and power steering cooler line. **SUSPENSION:** Front upper and lower control arms and shafts. Front upper and lower ball joints, spindle, coil and leaf springs. Air suspension: bags, sensors, and pump. Control arms and ball joints are not covered on trucks and suv's.

BRAKES: Master cylinder, brake booster and all hydraulic components of the ABS system (Anti Lock Brakes) except linings, pads, pistons, rotors and drums.

AIR CONDITIONING: (Factory Installed): AC Dash control module, AC control module, Compressor, Condenser, receiver dryer and accumulator. Compressor clutch, evaporator, cutoff switch, clutch assembly including coil, clutch bearing, clutch pulley and serpentine belt tensioner. Refrigerant evacuate and recharge only covered in conjunction with an authorized covered repair. R12 systems are not covered.

ELECTRICAL: Alternator, voltage regulator, windshield wiper motor, starter motor, rear wiper motor, power window regulators, power antenna, sunroof motors, power mirrors, cruise control computer and actuator, power trunk, tailgate, hatch and side door actuator and motor.

FUEL SYSTEM: Fuel Pump, gas fuel injectors, gas fuel rails, gas pressure regulator, factory installed turbocharger or supercharger are extra cost options. Diesel Fuel injectors are not covered.

FLUIDS: Up to \$ 100 in fluid replacement including air conditioning refrigerant when a covered repair is authorized.

DIAGNOSTIC: Up to \$100 in diagnostic charges are covered only in conjunction with a covered repair.

SEALS AND GASKETS: Cylinder head and manifold gaskets are covered if leaking coolant. All other seals and gaskets are covered only in conjunction with a covered repair. Cylinder head and manifold gaskets are not covered if leaking oil.

DIESELS (factory installed Only) are **EXTRA CHARGE OPTIONS** on this contract.

LABOR: Labor time for repair shall be based on industry standards. Labor rate up to \$100.00 per hour on this contract.

TOWING: If your vehicle needs towed due to the failure of a covered component we will reimburse you up to a maximum of \$100.

Terms and Conditions, LLC

This limited warranty is between the vehicle owner stated above and Auto Pro Warranty Company, LLC. Auto Pro Warranty Company, LLC will make payment to you or the repair shop the repair or replacement of components covered by this limited warranty that are found to be defective or worn beyond serviceable limits through normal wear and tear. Coverage begins when this application and payment are received and approved by Auto Pro Warranty Company, LLC and will be in effect for the time or mileage period whichever occurs first as specified on the contract. The covered component failure must occur during the limited warranty coverage period under normal usage. Any listed components that fail prior to the approval by Auto Pro Warranty Company, LLC of this limited warranty application are not covered. Only components listed above are covered. No other components are covered regardless of cause of failure. Replacement components shall be of the same type, quality and mileage as those removed which may include used, reconditioned or aftermarket components. Other items not covered include but not limited to; oil consumption, damage resulting from improperly maintaining or failing to maintain the vehicle; damage that results from any previous or improper repair; damage from theft, fire, accident, conditions of the environment, including rust and corrosion; damage from overheating, damage that results from altering, misusing or tampering with the vehicle; damage that results from making improper adjustments or using improper fuels or fluids; damage to a covered component caused by failure of a non-covered component, fluid leaks and damage caused by fluid leaks. Continued operation after the initial failure that results in further damage is considered abuse and is not covered. Preventative maintenance of covered vehicle is the responsibility of the vehicle owner which will include but not limited to parts and labor, fluids, oil, filters, fan belts, radiator hoses and radiator thermostat or any part of the vehicle that is subject to normal wear and tear. Mismatched tires will void four wheel drive or all wheel drive components. An inoperative, malfunctioning or altered odometer will void this limited warranty. Auto Pro will not be responsible for lost time or any inconvenience caused by the loss of usage of your vehicle; the quality of the repair by the repair facility or for any other incidental or consequential damages you may have. Vehicle owner is responsible for the following charges on a covered repair; Sales tax, fluids, test and diagnosis. The deductible amount per claim on this limited warranty is \$100 per occurrence. Vehicle owner is responsible for maintaining the vehicle properly and in accordance with manufacturers specifications and must retain receipts of any work or maintenance performed. At our option we may request copies of these maintenance receipts. Repairs done outside of the continental United States will not be covered. **CLAIM PROCEDURE:** Covered vehicle must be at a qualified repair center of your choice to open a claim. The repair center must call Auto Pro Warranty Company, LLC at 888-442-7555 to initiate a claim. Once a claim has been initiated the repair center must provide Auto Pro Warranty Company, LLC with
