

Academic Coaching Collective

SUPPORT · SUCCEED · SUSTAIN

PURPOSE & POSSIBILITY

- We develop customized curricula and coaching services to an institution's unique needs at the student, resident, and faculty levels.
- We offer an experienced group of physician coaches to help your participants realize their highest potential.
- Topics range from burnout prevention, goal setting, time management, efficiency, diversity and inclusion, and many more!

PROGRAM FORMAT

- 6-Week Program
- Pre- and Post- Program Quality of Life Analysis
- Once Weekly Teaching with Group Coaching
- Individual Coaching Available
- Teaching component recorded for review on demand

INVESTMENT

- \$2500 for Teaching & Group Coaching with Unlimited Enrollment
- \$7000 for Teaching, Group Coaching & 20 Individual Coaching Sessions (total for group)
 - Individual sessions distributed at discretion of program
- Continuity options available

POWER & POTENTIAL

- Uncover the power to find success, contentment, ease and even joy in any situation
- Custom educational experience cultivating skills that can be used in every patient encounter, at work, at home, and in the navigation of the transition in-between
