

Safe Haven Recovery Engagement Center

County Comparison 2024

Safe Haven Recovery Engagement Center serves 13 south/southwest counties in Indiana. Below are all major data markers that Safe Haven tracks and all of our county's 2024 data results. This shows not only a comparison between the counties but also shows what areas that a county may be doing really well and we could learn from and what areas a county is doing poorly that we might need to focus on. Data drives programming. The best of our 13 counties is highlighted in Green; the worst is highlighted in Red.
