## THE MFL PROMISE

On MFL grounds, we aim to create high-level football tournaments that make room for everyone -- men, women, Filipinos, and global citizen athletes who choose to come together on one football field for the love of flag football.

We deliver flag football experiences like you've never seen before without compromising quality & competition.

And when the final whistle is blown, we celebrate adversaries on the field, and teammates for life through an epic MFL victory party open to all.

## Santa Bowl: Touchdowns for a cause

**November 30, 2024**

**Bridgetowne Turf**

Every Christmas season, our MFL athletes get the chance to be a secret santa for causes they care about. We work to partner with brands that aid in serving Filipino communities all over the country.

In 2022 and 2023, we raised P10,000,000 in healthcare plans and donated them to various organizations including: Voice of the Free, SOS Villages Cebu, FPUA, and many more.

This year, we aim to donate a set Noche Buena meal for a family for every registering athlete on MFL grounds.

On MFL grounds, everyone gets the chance to make a difference - all by playing the sport they love.
