

Asadores duraderos

Desde su fundación en 2012, Blaze se ha mantenido fiel a su concepto original de hacer que las parrillas de primera calidad y la vida al aire libre sean accesibles para todos. Utilizamos acero inoxidable de grado comercial ultra duradero apto para exteriores, respaldado por las mejores garantías de por vida de su clase para reforzar su confianza en nuestra construcción. Póngalo todo junto, y un Blaze es un producto premium sin la etiqueta de precio premium.

Diseño Elegante

La apariencia no lo es todo, pero hay algo que decir sobre una estética moderna que trasciende el tiempo y las modas. Cada producto Blaze está diseñado para cumplir con ese alto estándar de elegancia, desde la impresionante calidad de los materiales hasta los detalles finamente hechos a mano que se encuentran en cada perilla y curva. Para los artistas al aire libre que valoran las apariencias elegantes, no hay nada como un Blaze como pieza central de todo. Diseñamos pensando en usted, porque crear un lujoso espacio al aire libre no debería arruinar el banco.

Diseñado con propósito

Cada artículo de Blaze está cuidadosamente elaborado, con años de experiencia en la industria y conocimientos que nos ayudan a crear productos premium completos para su disfrute. El sentido de comunidad al reunirse en un espacio acogedor al aire libre es algo con lo que todos podemos relacionarnos, por lo que pasamos años ajustando cada aspecto de nuestros productos para cumplir ese propósito. Fomentar que la unión impulse todo lo que hacemos y es el corazón de la experiencia Blaze. Después de todo, no solo queremos brindarle una excelente parrilla.

Construido para durar con materiales fuertes y superiores.
Diseñado para impresionar con elegancia y estilo.
Diseñado a propósito pensando en usted
Una experiencia premium sin el precio premium
Respaldado por las mejores garantías de por vida de su clase

► Parrillas profesionales LUX

► Parrilla de gas Profesional LUX de 3 Quemadores

Desde la impresionante elegancia y la durabilidad inigualable de la construcción de acero inoxidable de grado 304 hasta el rendimiento extraordinariamente eficiente, hasta el último centímetro de la parrilla a gas Blaze Professional LUX fue diseñado para una experiencia de lujo. En total, es una llamativa pieza central para exteriores que sorprenderá a los invitados con una estética, un rendimiento y una durabilidad de alta gama.

▶ Standard LUX Features

Heavy-Duty Hexagonal Cooking Rods
 12mm thick cooking rods absorb heat, producing deep sear marks.

Cast Stainless Steel Burners
 Professional-quality, cast stainless steel H-burners deliver impressive cooking power and durability.

Illuminated Control Knobs
 Sophisticated red LED lights illuminate and accent the control knobs.

Perforated Flame Stabilizing Grids
 Heavy-duty 12mm flame stabilizing grids cover the entire grill to maximize flavor and minimize flare-ups.

Rotisserie Kit
 Included rotisserie kit with waterproof motor provides grilling versatility.

Heat Zone Separators
 Removeable heat zone separators divide cooking surface into individual temperature zones putting you in command of every inch of cooking.

► Premium LTE Grills

► Blaze 4-Burner LTE Gas Grill with Infrared Rear Burner & Built-In Lighting System

Much like its LUX counterpart, Blaze Premium LTE gas grills let you know upfront what to expect: the best all-around premium grilling experience, right in your own backyard. Yet, we still keep affordability in mind, even while including a signature LED Illuminated Control System to complement the sleek and ultra-durable, 304-grade stainless steel design. Fun features and top-of-class performance, meanwhile, make grilling for friends and family more enjoyable than ever.

▶ Marine Grade

▶ Blaze Premium LTE Marine Grade Grill

Coastal living should never stop you from enjoying the very best in grilling. That is why we designed a Blaze Premium LTE Grill built from marine-grade, 316L stainless steel, an alloy with extra resistance to saltwater environments. This 4-burner grill is also rated for multi-user applications such as multi-family dwellings, apartments, hotels, and (of course), seaside condos. Under this 3-year multi-family warranty, Blaze also extends its usual lifetime coverage to include labor charges.

- The Blaze Marine Premium LTE grill includes all the same amazing features as the original Premium LTE model, with the only difference being marine-grade steel used in construction

- Enjoy your Blaze grill freestanding on a cart or built right into your island

BLZ-4LTE2MG-NG/LP

Charcoal Grills

► Blaze Charcoal Grill

Why should our approach to building the best all-around grills be limited to one fuel type? We purposefully engineered the Blaze charcoal grill with the same thought that goes into all our products, starting with heavy-duty, 304-grade stainless steel construction for rugged durability in the outdoors. Of course, we followed that up with our best-in-class lifetime warranty, not to mention a double-lined grill hood that wards off heat discoloration and efficiently traps heat. And once you get under that hood, you will find even more to love about our affordable, commercial-style charcoal grill.

BLZ-4-CHAR
OPTIONAL
CART:
BLZ-4-CART

- Hook-and-hang cooking grids make it possible to add charcoal and wood while cooking so your sizzle never has to stop
- Adjustable charcoal tray lends versatility: it can be lowered closer to the coals for high-heat grilling, or raised when you want to slow-cook
- Rear vent can be adjusted for precise airflow control, which in turn affects temperature
- Removable charcoal tray and full-width, pull-out ash pan lead to hassle-free cleaning
- Enjoy your Blaze grill freestanding on a cart or built right into your island

▶ LTE Griddle

▶ Blaze Premium LTE Griddle & Cart

Blaze got in the griddle game with this Premium LTE model, and the results are what you would expect from the leading premium grill brand. Just like with its gas grill counterpart, we chose heavy-duty, 304-grade stainless steel for maximum durability, along with the LTE Series' LED red control knob illumination. The stainless steel burners are U-shaped to provide exceptionally even heat across the 495 square inches of cooking surface, which can be used for everything from stir fry and searing steaks to a full-scale breakfast.

- Heavy-duty, commercial-grade stainless steel construction packs unrivaled longevity
- 18,000 BTUs of cooking power in each U-shaped burner provide astoundingly even heat across the griddle surface
- Reliable flame-thrower ignition makes lighting the griddle simple, while the backup flash-tube ignition with crossover channels ensures you can always light the unit
- Full-width grease trough directs drippings into the drip tray for effortless cleanup
- Enjoy your Blaze griddle freestanding on a cart or built right into your island

Electric Grill

► Blaze Electric Grill

With a compact, water-resistant design and 3 years of multi-user coverage in addition to our lifetime warranty, the Blaze electric grill is fit to cook anywhere there's a power source. This grill is a great solution for urban living spaces where open flames are prohibited, but it's just as useful at campgrounds, marinas, and even traditional backyard grilling areas. Blaze's 9mm triangular stainless steel cooking rods expertly channel heat from the 1,500-watt heating element, allowing you to sear to your heart's content without open flames. The 304-grade stainless steel grill body has a double-lined hood to trap heat and prevent discoloration, with 16-gauge flame-tamers to keep flare-ups at bay. A 60-minute safety timer gives you added peace of mind when using the Blaze electric grill, which is available in table-top, pedestal, and built-in configurations to meet your needs.

- Commercial-grade stainless steel construction enhanced with a water-resistant design to protect electrical components
- Blaze's usual best-in-class, lifetime warranty is paired with a 3-year warranty for multi-user applications
- Triangular stainless steel cooking rods produce impressive sear marks without the need for an open flame
- Full-size heating element has a maximum surface temperature of 749°F, more than enough for high-heat grilling
- Double-lined grill hood helps stop discoloration and retains heat for consistent temperatures
- Grill with confidence thanks to the 60-minute safety shutoff timer
- Pull-out drip pan for easy and efficient cleanup

BLAZE

Kamado Grill

▶ Blaze 20 inch Cast Aluminum Kamado Grill

The modern kamado-style grill is widely considered one of the most versatile grills on the market — and for good reason. Most are made from thick ceramic that holds heat for long periods, ideal for everything from grilling and smoking to roasting and baking. Furthermore, kamados maintain consistent temperatures as low as 225°F and as high as 750°F and up. Their vent systems allow grillers to precisely control airflow, essentially turning the grill into a wood-fired oven.

Blaze took the lessons learned from centuries of kamado-style cooking, then introduced a modern twist by building this kamado with solid cast aluminum measuring 1" thick. Why cast aluminum? This design provides unparalleled durability — extreme saltwater and explosive tannerite tests proved that — plus the same outstanding temperature control and heat retention ceramic kamados are so well known for. With a lifetime warranty on the cast aluminum body and other key components, kamado purists can confidently break from tradition to experience a superior grill engineered for luxury cooking.

BLZ-20-KAMADO

▶ Standard Features

Cooking Grid
20-inch diameter stainless steel hex-shaped cooking surface provides exceptional heat retention and beautiful sear marks.

Hinged Cooking Surface
Hinged cooking surface allows for the convenient addition of wood or charcoal without removing the grates.

Lift Assist
Pre-installed lid hinge with lift assist allows for easy burping and opening of the kamado.

Tongue and Groove Seal
Instead of the traditional gasket design, which often needs replacement because of wear and tear over time, Blaze chose an exceptional tongue-and-groove seal to help the lid last longer and better lock in smoke.

Molded Exhaust Cap
Cast-molded exhaust cap allows for precise heat control.

1-inch Thick Cast Aluminum
This design adds unparalleled durability.

► Kamado Additional Accessories

Blaze Kamado Side Shelf Kit with Hooks

- Easy-attach hooks for hanging cooking tools
- Stainless steel construction is durable for outdoor conditions
- Side shelves provide a convenient work area while grilling

BLZ-KMDO-SDSH4

Blaze 4-in-1 Stainless Steel Cooking Plate

- Solid, 304-grade stainless steel brings the longevity you need for years of enjoyable outdoor cooking
- Provides a layer of heat deflection for low-and-slow cooking
- Serves as a pizza stone to give you that perfect crust every time
- Functions as a cooking plate that helps add a hint of smoke to your favorite sauces, stews, soups, and gumbos
- Can be used as a griddle plate for great breakfast and full-crust searing

BLZ-KMDO-155SP

Blaze Easy-Light Indirect Cooking System with Moisture-Enhancing Pan

- Heavy-duty, 304-grade stainless steel construction for lasting durability
- Charcoal basket lets you section off fuel for indirect heat, or for direct infrared cooking in tandem with the Blaze Kamado Rotisserie Kit
- The lower basket chamber doubles as a chimney starter for use with charcoal lighters and other ignition methods
- Stainless steel drip pan catches essential drippings for pan gravies and bastes, plus it can act as a water pan for added moisture when smoking

BLZ-KMDO-CBDRP

Kamado Island Sleeve with Drawer

- 304 stainless steel construction provides ultimate durability in outdoor settings
- Large drawer stores charcoal, tools, and accessories with ease
- Allows you to build your kamado into an outdoor kitchen for a finished look

BLZ-KMDO-SLV

Rotisserie Kit with Waterproof Motor

- Waterproof rotisserie motor is designed to thrive in the outdoor elements
- Compatible with Blaze Easy-Light Indirect Cooking System and Moisture-Enhancing Pan
- Adds versatility to your outdoor cooking setup by allowing you to slow-roast food over the coals

BLZ-KMDO-2-ROTIS

Stainless Steel Kamado Handles

- Sturdy construction for a long lifespan in the outdoors
- Offer a solid grip when moving your kamado
- Feature insulated spacers that keep the handles from getting overly hot when the grill is in use

BLZ-KMDO-SSHAND

Kamado Covers

- Greatly extend the lifespan of your grill, making it a better investment over time
- Vinyl cover is water-resistant to shield the grill from elements like dirt, dust, and rain
- Designed with a soft felt backing that will not scratch the exterior of the grill when covered

▶ Burners

▶ Side Burners & Power Burners

To complement your Blaze grill and complete your outdoor space, we offer a selection of side burners and power burners for tackling any task. Perhaps you need to reduce a sauce, or boil a pot of water, or simply use another burner to get dinner done. Whatever your demands, Blaze burners deliver a reliable flame with every start thanks to the Push & Turn ignition system also found on our grills. Each burner in the set features a stainless steel cover to block the outdoor elements, while the LTE and Professional models sport signature red lighting along with full-width drip trays for speedy cleanup. Of course, our side burners and power burners are all built with commercial-grade stainless steel and covered by the best-in-class, lifetime warranty upon which the Blaze brand was built.

Blaze Drop-In Single Burner

- A heavy-duty, 12,000-BTU brass burner provides superior heat output

BLZ-SBI-NG/LP

Blaze Built-In LTE Double Side Burner

- Heavy-duty, 12,000-BTU brass burners churn out powerful but controlled heat

BLZ-SB2LTE-NG/LP

Blaze Built-In High Performance LTE Power Burner

- 25,000-BTU inner ring and 35,000-BTU outer ring combine for an impressive 60,000 BTUs of heating power
- Stainless steel guard surrounds the burner rings, protecting them from wind and concentrating heat for maximum efficiency

BLZ-PBLTE-NG/LP

Blaze Professional Built-In High Performance Power Burner

- Generating total of 60,000 BTUs between the 25,000-BTU inner ring and the 35,000-BTU outer ring
- Efficient design and narrow width save cook time and counter space
- Burner rings are circled by a stainless steel guard that blocks wind interference and channels maximum heat efficiency

BLZ-PROPB-NG/LP

Refrigeration

Cool and Stylish

The hotter the party, the cooler the drinks. Blaze kitchen refrigeration keeps the guests refreshed with the same elegance and strength you expect from the Blaze name. Featuring ample storage space in varied configurations, each refrigerator offers powerful qualities like premium 304-grade stainless steel construction, crystal-clear white LED interior lighting, intuitive digital thermostats with temperature displays, and Blaze's top-notch 1-year limited warranty and sterling customer service.

Blaze 24" Outdoor Glass Door Beverage Cooler

Vent

Hoods

Smoky flavors are a hallmark of great BBQ — but too much smoke can ruin your cookout in a hurry. Thanks to a deep hood canopy and powerful motor system, Blaze Outdoor Vent Hoods ensure smoke never chases guests out of the beautiful outdoor space you have worked so hard to create. Blaze hoods feature industry-leading 36” or 42” of depth, offering more coverage of the cooking space to capture larger quantities of smoke and heat. Each motor brings 1,000 CFM of suction to the BBQ (giving the twin-motor, 42” model 2,000 CFM of pull), averaging 60% greater performance when compared with the strongest vent hoods on the market today. With so much size and power, Blaze Outdoor Vent Hoods can be installed farther from the grill than other hoods, creating a less cluttered view of the cooking area and increased comfort for outdoor chefs like you.

Blaze 36” and 42” Vent Hood

- Deep canopy depth maximizes the capture range of the vent hood
- Independent and Individually controlled 1,000-CFM 4-speed motors provide exceptional smoke removal
- Higher allowable install height creates a more comfortable work area
- 4 halogen lights illuminate your cooking surface any time of day or night
- Innovative grease-free retractable controls with lighted facing
- Reversible motors and back venting option

Getting the most out of your Blaze grill can be as simple as having the right accessories on hand. Our selection of add-ons features items that help with safety (like flame guards and island vents) as well as cooking versatility (such as smoker boxes and rotisserie kits). Stick with Blaze for every grill upgrade and enjoy the elegance, purpose, and strength of our premium grilling experience.

Blaze Drip Pan Flame Guard

The Blaze drip tray flame guard adds an extra layer of safety to your grill, making it an upgrade worth investing in. This perforated accessory sits inside of the drip tray to reduce the chance of a grease fire — allowing you to cook with confidence.
