

ISTARA CM MINUTES FEB 10TH

Pauline opened the meeting at 2:10

Apologies were received from Pat Frost, all other members were present

Matters arising from last meeting the feedback from members re. our speaker was that she was very interesting but needs more practice in her presentation.

The ten pin bowling shield has now been engraved.

The 30th anniversary party buffet needs to be booked, Pauline and Yvonne need to consult with the Ellenor. This will be a ticket event only.

There followed a long discussion on nobody stepping forward for the position of secretary at the AGM. Pam indicated that rather than the club close she would be willing to keep going if she can have help from others to share the load. We will continue to ask for help from members. Chris then reported on the sub-committee meeting which recommended that the Istara committee meeting be held every other month instead of every month. This again was well discussed and a vote was taken, it was agreed after the vote was taken that this will be monitored. Pauline will ask at the AGM if any member will be willing to take the minutes at the committee meetings

Pam then presented the diary and after a few additions was agreed by the committee.

The Treasurer then informed the committee that he needs to finalise the accounts after the additions of money for the quiz raffle and evening.

The member's secretary said that the money for our membership of Kentara for 100 members had been payed.

The regular team will be asked at the next meeting if anyone is willing to take over the ordering of the refreshments. Lyn is to book the Christmas lunch with Jewels.

A donation will be made to the cat's protection society in memory of Pam Raven.

There being no other business the meeting closed at 3:45
