

ISTARA MINUTES OF MEETING HELD ON 28/01/2025

Pauline opened the meeting at 2:00pm by welcoming members and requesting that mobile phones be switched off or silenced. Raffle tickets, books and puzzles and diaries were available.

Members were reminded that the quiz was taking place on 15th February.

The AGM will take place next month and we would like some new members to the committee to make sure that the club continues.

The singers were thanked for their efforts to entertain us at the Christmas meeting.

Pauline then introduces Neil Butcher from Trading Standards who then gave a very informative talk to members.

After refreshments Pam then reminded members that Istead Rise is a no cold calling area and so nobody should be knocking at your door trying to sell anything, if they do the door should be firmly shut and you should report the offence to Social Services. Pam then read out a holiday which was being run by the Footpath's group to Weston Super Mare which members were being offered places to join.

The treasurer had nothing to report.

We had 56 members attending today's meeting.

Next month's lunch club will be at the Leather Bottle, Cobham.

The raffle was drawn and the meeting closed at 3:50
