

ISTARA CM MINUTES 8/9/26

Pauline opened the meeting at 2:08 by welcoming members.

Apologies were received from Alistair

Feedback from monthly meeting was very positive with a very interesting clear delivery.

Lunch club is at the See Ho this month see David if you wish to attend.

The quiz on 3rd October was next on agenda. We had information that a celebration of another club was to be held on the same day so it was decided to postpone the quiz until January. If we do not get sufficient numbers to sign up for this event we will have to decide whether we put on any events in the future. A talk with members to try to get some feedback from them will be held shortly.

The trip to Van Hage garden centre is going ahead. The Christmas meal to the Dog and Duck which is a special event solely for ISTARA is very low on numbers so it will be offered back to Jewels to sell to the general public. We had some feedback which suggested it was expensive at £66.00. The committee did not agree with this feedback as the price included travel, tips, 3 course meal and entertainment. The trip will go ahead but it may be the last.

Pam then presented the diary which was agreed.

Roy is concerned regarding the balance in our account.

There being no other business the meeting closed at 3.45

Date of next meeting 13/10/26
