The feedback from the quiz was positive with a good turnout although some people thought that some of the questions were hard. The raffle made a good profit.

Pam then went through the Diary which was agreed.

There was no treasurer's report

Pam suggested that when we have a new member that the chairman be informed of this at the meeting so that the new member is welcomed by name this was agreed

The lunch club's venue is the Leather Bottle at Cobham

Pauline had asked Margie to look into the possibility of fancy serviettes, Margie had done so but the committee had rejected this on the cost involved

Alistair will keep his eyes open on the possibility of special offers for the Christmas Raffle, there will be no raffle at the Christmas lunch this year so the raffle will be at the monthly meeting

Lyn reported that she had been offered a holiday at Babbacombe Devon for next April which will be offered to members.

There being no other business the meeting closed at 3:20
