

ISTARA MINUTES OF CM 11/8/26

Pauline opened the meeting by welcoming committee at 2:08

Apologies were received from Pat, all other members were present.

Matters arising from monthly meeting, it was noted that there was continuous talking from the back of the hall throughout the singers performance. It was noted that the sound was of poor quality this time.

We do not have a large take up for the Christmas meal at the Dog and Duck this year, we have sole rights to the venue at present so if we don't get more names we will have to return unsold places.

Pam went through the diary dates which were agreed.

Ron is pleased that a couple of events are planned to boost our funds.

We have 81 paid up members at present so perhaps we need to promote ISTARA.

Mel is happy with the catering.

Alistair is making steady profit on the raffles.

Chris will take minutes at the next meeting as Pam will not be there.

There being no other business the meeting closed at 3:35
