

ISTARA MIUTES OF CM JULY 14TH '26

Pauline opened meeting at 2:07 by welcoming committee members.

Apologies were received from Pat, Lyn and Kate.

The feedback from last monthly meeting was positive with good feedback about our speaker Guy Bartlett re Concord, we will try to rebook him for another talk.

30th anniversary was next on agenda. Feedback was very positive from members and committee, the food from Ellenor was good and the cake was superb. Nick provided the entertainment and was deemed excellent. Photo's will be sent to Kentara for inclusion in their next newsletter.

We will hold a quiz on 12th Sept. as we need to replenish our funds, a poster has been put up in the hall and bookings will be taken from next monthly meeting.

There will be no ten pin bowling in August the next date for them is 15th Sept.

Pam then informed the meeting of the passing of a long standing member, further information will be passed to members when it is available. The diary was checked and will be published at the next meeting. Pam informed the committee that she was not available during August, Chris will take minutes for us.

Roy wants some fund raising to take place.

The member's representative suggested we invite members to attend our committee meetings in the hope that they will be more active in the club.

Mel is going to change the biscuits as the present ones are very expensive so will try an alternative. Mel has almost finished the speakers list for next year.

Pam will see if there is any availability for the hall in Nov for a Scattergories event and Alistair will approach someone to see how much they charge for a quiz evening in Jan.

There being no other business the meeting closed at 3:28

DONM. 11/8/26
