

COUPLES QUESTIONNAIRE

Purpose of the Questionnaire

The purpose of this questionnaire is to get to know you better as a couple, so that I can write an original, personal ceremony with an authentic voice. Each person should complete this individually, without input from their partner. Don't worry—I won't include any of your responses in the ceremony without your permission!

When did you meet?

What was your first date?

When did you know you were in love?

When did you know you wanted to get married?

What was the proposal like?

What are some of your favorite memories of being together?

How do you envision your life together?

What makes your partner amazing?

Why do you "work" as a couple?

Are there any funny stories about your courtship that you wouldn't mind sharing with everyone?

Is there anything else you want me to know about you as a couple to help create a memorable wedding experience?
