

Gatlinburg Law Enforcement
Conference Presents

VICTIM SERVICES Track

The Victims Services Track at the Gatlinburg Law Enforcement Conference is uniquely designed for system-based victim service providers and exclusively for those in law enforcement and prosecution offices.

The GLEC Victim Services Track will provide participants the opportunity to:

Enhance Victim Services Programs

Deepen understanding of ethical considerations and resilience in victim services.

Learn Emerging Trends in Victims Services

Discover and discuss latest topics in Victim Services.

Connect with Allied Professionals

Learn from and connect with allied professionals to build a strong support Network.

Build Knowledge of Resources for Crime Victims

Expand knowledge of tools and resources available to assist crime victims.

Train on Trauma-Informed Approaches

Hear best practices to deliver trauma-informed victim services.
