

2024 Beaver Bend Invitational Tournament Info Sheet

Entry Fee: The entry fee for this years event will be **\$70**. Payment options will be sent after the early application period ends.

Format: The Tournament will consist of 72 holes of stroke play with no cut. All 72 holes of stroke play will be conducted at Beaver Bend Par 3 on **July 6th, 2024**.

Course: The event is held at Beaver Bend Par 3 in Hummelstown PA. The address is **409 Pleasant View Rd, Hummelstown PA 17036**. The course will be played at a yardage of 1040 yards and will be a par 54.

Pace of Play: Pace of Play will be 71 Minutes. Failure to complete within 10 minutes or 8 minutes of the group in front may result in penalization of 1 or all members of the pairing.

Local Rules: All flower beds will be deemed ground under repair. Out of bounds left of holes 2 & 6 will be determined by the tree line. The creek that runs through the golf course will be played as a RED penalty area, determined by the inside edge of the rock wall. If a ball comes to rest upon another green, it will be played as ground under repair. The one ball rule is NOT in effect. All play will be conducted under USGA rules.

Course Conditions: Our anticipated green speed is 10.2' for the event. We also anticipate the green firmness to be 102 gravities. Due to the nature of the greens at Beaver Bend, a modification to the USGA guidelines on pin placements will be used. This allows pin locations to be closer than 3 paces from an edge. This change DOES NOT MEAN pins will be on slopes or illegal. It allows us to set pins to give the golf course a fair and tough test.

Tee Times: Tee Times will be posted at a minimum of 5 days prior to the event. Players will be repaired after rounds 2 & 3.

Scoring: We will be using Golfstat for this years live scoring.
