Ways to Give

Gifts to Make Now:

- **Cash** – Most donors choose to write a check now or make a multi-year pledge.
- **Donor Advised Funds** – Donors often find immediate tax benefits in establishing donor advised funds and recommending grants to charitable organizations over time.
- **Appreciated Securities** – Gifting appreciated stock and other securities may allow you to avoid paying capital gains tax. Donating by electronic transfer is easy.
- **Individual Retirement Account (IRA) Qualified Charitable Distributions (QCD)** - There are potential benefits to donating through your IRA, including reducing taxable income and satisfying your required minimum distribution for the year.
- Online through **AmazonSmile** where Amazon contributes 0.5% of eligible purchases
- Will your **employer match** your donation?
- **Memorial/Honorary gifts** celebrate loved ones or thank care givers in a meaningful way.

And Later:

Make Friends of Hopewell House a **beneficiary** through your will, trust, Individual Retirement Account, life insurance policy, or Donor Advised Fund.
