BRIDGING THE GAP BETWEEN BUSINESS AND TECHNOLOGY SOLUTIONS

Founded in 2022, Baroda Technologies and Solutions Consulting is a *cutting-edge* Information Technology firm, specializing in Staffing, Systems Engineering, Cyber Security, grounded in our work for the Intelligence Community, we prioritize intelligence and analysis over technology. Our focus is on protecting your company's critical intellectual property (I.P.) and core business functions. Our view defines cyber security as an agile, strategic function, generating intelligence out of data and providing businesses with knowledge and situational awareness. Our offerings reduce your security business risk through robust and continuous examination of your IT infrastructure. **Let us exceed your expectations!**
