Mini-World Cup to draw 250 young players to Renmore AFC

Galway Advertiser, Thu, Jun 08, 2023

Pictured launching the World Cup Fundraiser for U8 - U10 are Renmore AFC Academy coaches Sinead Murray, Ger Bogan, Neil Griffen, Will Walsh and Joanne O Toole, and academy player Logan Walsh.

Renmore AFC is to hold a competition for young footballers this month that will draw more than 250 players together for a novel fundraiser with a World Cup format.

Club Chairperson Michael Crowe said it is a very important event for the club and a milestone in a sense that it is the first time the main fundraiser for the year is centred around the kids and families.

"It is a reflection of where the club is at. The organising committee are putting in enormous work and we are all set for a fantastic weekend at the end of June," he said.

Each player will get to play six games over the weekend. The club is running a competition for girls U8 - U10 and boys U8 - U10. It will be an opportunity for the players to play with their age group in a fun environment where participation and fun is at the very core.

It is open to any child who wants to play and organisers are especially keen to see girls and boys give it a try even if they never played before.

This event will see a hive of activity in Renmore during that weekend with entertainment, food offerings and much more. To register for the event email renmoresoccer@gmail.com or contact 087 787 2411.
