RENMORE secured both points on offer in this opening Premier League game in the Jes Pitch on Sunday morning. Played in ideal conditions, Renmore got the better of the early exchanges but failed to capitalise on the amount of possession, mainly due to there tendency to overplay the ball.

After 20 minutes a handball was awarded against a Club defender and Paul Langan duly obliged by putting the ball wide of the diving 'keeper Mike Murphy to put Renmore one up.

Despite a lot of Club pressure including near misses by Dixie Devlin and Robert Healy, Renmore managed to hold out to the interval thanks to good

defensive work by Justin Neary and Mike Noone.

The second half started with Boys' Club forcing a lot of corners and free kicks around the Renmore box and it looked inevitable they were about to open their account.

After ten minutes a piledriver of a free kick from Devlin came off the crossbar and fell to the goalward running Ger Stiffe who gave John Duffy in goal no chance to leave the scoreline 1-1.

Boys' Club at this stage threatened to run riot as wave after wave of attack rained down on the Renmore goalmouth but a staunch defence kept them at bay.

Then, against the run of play Renmore broke from defence and carried the ball to the edge of the club area where Neary latched on to a cross from Langan and volleyed into the back of the net to score his first goal for Renmore.

From the kick off Renmore immediately won back the ball and Hession from 25 yards struck home a goal good enough to grace any level of soccer to put Renmore 3-1 up.

With five minutes remaining 16 year old Neil McCaffrey, making his junior debut, passed to Der Coll who ran ten yards with the ball and then placed it just outside the reach of Murphy and into the bottom corner of the net to leave the final score 4-1.

Best for Boys' Club were Dixie Devlin, Brendan Lambe, Mike Murphy and Synan Smith. Renmore's top performers were Neary, Holian, Hession and Noone.

Referee: Nicky Hardiman.

FOOTNOTE: Renmore AFC would like to congratulate Dermot Coll on his selection for the final Irish Junior Trial, a just reward for his commitment to training and his trojan work with underage teams in the club.
