

Instructions for giving stocks and mutual funds

Use the following Letter of Intent (LOI) to inform National Christian Foundation (NCF) of your decision to make a contribution of publicly traded securities, such as stocks, mutual funds, and/or cash through your brokerage account. All contributions to your NCF Giving Fund (donor-advised fund) are irrevocable and are, in most cases, eligible for a tax deduction. Please contact your financial institution to request their required procedures and forms and to provide them with the delivery instructions found below.

Please note that, if you are sending physical stock certificates or stock held at a transfer agent (ex. Computershare), you must complete our [stock certificate](#) or [transfer agent](#) gifting forms available at ncfgiving.com/forms.

Note: Individual circumstances vary. Please consult your tax advisor regarding your situation. Gifts from other tax-exempt organizations are not deductible.

STEP 1: INITIATE THE TRANSFER WITH YOUR BROKER

To transfer stocks or mutual funds that are being held electronically, contact your financial institution and provide the information with the instructions below. Include the giver's name and NCF Giving Fund number in the memo/notes section of the transfer request on all deliveries.

We recommend in-house transfers if you have a Fidelity, Schwab, or Merrill Lynch account. Please deliver all Depository Trust Company (DTC) eligible securities to the account name – National Christian Charitable Foundation Inc. – using one of the brokerages listed below:

Fidelity Acct# 479-048720 (DTC 0226)
Schwab Acct# 6595-8708 (DTC 0164)
Merrill Lynch..... Acct# 210-04116 (DTC 8862)

Note: Most financial institutions and mutual fund companies require the use of their own gifting form or an additional LOI. If your mutual funds are held at a brokerage other than the ones listed, please check with your broker to see if the funds are transferable. If they are not transferable, please contact NCF.

STEP 2: NOTIFY NCF OF YOUR TRANSFER

Please complete the LOI on the second page of this document and send to NCF via email, mail, or fax. It can be printed, completed, and signed by hand, or you can type directly into the fields, sign via DocuSign, and save to your computer before sending.

Note: If we do not receive proper notification of a contribution, the contribution will be placed into a suspense account. If the contribution remains unidentified despite NCF's good faith efforts to match it with your contributions, the contribution will be placed into the general fund for NCF.

STEP 3: CONFIRM YOUR TRANSFER

Transfers must be initiated by your financial advisor or broker. Please confirm with your broker or advisor that your contribution has been transferred from your account to NCF's account. Once received, it usually takes 4-7 business days for your transfer to be liquidated, settled, and completely posted to your NCF Giving Fund.
