

Oliver Springs Historical Society
P. O. Box 409
Oliver Springs, TN 37840

Dear Potential Sponsor:

The Oliver Springs Historical Society is making plans for our 16th annual "**October Sky Festival**" to be held on Saturday, October 19, 2024, in Oliver Springs. Last year's festival was a great success with over 6,000 in attendance and over 150 cars, 100 vendors and exhibitors.

This year's festival will be even better with a great car show, 200 car estimate, and activities at **Arrowhead Park**, the **Museum**, the **Depot** and Main Street. There will be a kid's activity area sponsored by the Oliver Springs Police Dept. as well as pony rides and a petting zoo. There will be live entertainment, a rocket launch, pottery demonstration, other crafts and lots of food.

The Historical Society is a non-profit organization dedicated to preserving our community's history for future generations. The Historical Society is in the process of restoring the 1922 Abston garage building that will become a Museum and Event center for our community. The proceeds from the "October Sky" Festival will support this project.

The success of our festival depends upon sponsors who have been generous in lending financial support. We hope you will consider supporting our festival this year as a sponsor. Please send your tax-deductible donation to: Oliver Springs Historical Society, P.O. Box 409, Oliver Springs TN, 37840.

Thank you for Support:
