

Dear Sole Trader & Small business owner,

Hope this finds you well 😊.

For sure you love the products and services you offer and enjoy providing them with so much passion that earning (cash in bank) can become a secondary thought ... 😊.

However, the undeniable truth is that it is that earning (cash in bank), that enables you to continue providing your products and services.

At the heart of this earning (income after tax) is sound costing, budgets, cash flow forecasts and variance analysis. These to ensure you're on track to achieving your goal. This is where Haupa Associates Ltd's management accounting services come in... 😊.
