The club had talked and decided at the October Club Meeting to not have Handling Class for these months (November and December). We will revisit in the December Board Meeting to see if we have a place to have class for Winter or if we just and see what we want to do.

As of October 17, 2025 Sit Means Sit has

a New name, but the same people are still running the buildings. The New name is Lets Go Dog Training. I will be talking to the owners and see what's up for Jan. - the end of March. We may have to move days around and times. I will be giving the information to the board and to see what they want to do.

I want to give a Thank You to Linda Kennedy to letting the club use her barn for the month of October!
