## Entering

- Prior to entering, assure you have your dog's AKC number. There are three options for an AKC number; 1) AKC Registration number for recognized breeds, 2) AKC Purebred Alternative Listing (PAL) number, or AKC Canine Partner (CP) number. If you do not have a number, please visit the AKC website for obtaining an AKC number either in the AKC PAL registry (<a href="https://www.akc.org/register/information/purebred-alternative-listing-pal/">https://www.akc.org/register/information/purebred-alternative-listing-pal/</a>) or in the CP registry for mixed breed (<a href="https://www.akc.org/register/information/canine-partners/">https://www.akc.org/register/information/canine-partners/</a>).
- Online entry: Complete the online entry form for up to four dogs at:
   https://forms.gle/QWho9jtB46ExvtCZ8
   After submitting your online form, click the hyperlink at the end to checkout. Your invoice must be paid before your tests are confirmed. If you have questions or technical issues entering online contact Lucinda Bersano at 562.325.7775.
- **Day-of-entry**: Bring the completed form and day-of-entry fees to the Field Test Secretary on the day of the test. We will fill any open spots that occur in each time slot if someone has not checked in 15 minutes prior to their assigned run time slot. Day-of-entries are accepted if we have not reached the test limit for each test.
- You will be expected to have complete information on your dog(s) for each entry. Incomplete entries
  WILL NOT BE ACCEPTED.

## **Day-Of-Entry**

- A day-of-entry waitlist will be on the Secretary table each day. You must sign up each day for the test(s) you wish your dog(s) to run that day.
- At the end of each corresponding Roll Call/Check-In Time (AM check in ends at 10 AM and PM check in ends at 3 PM), we will fill the spots of the dogs that don't check in on time with dogs off the waitlist in the order they are listed. Handlers must be present to accept the spot. If the handler is not present, the Field Test Secretary will move down the list.
- Those with day-of-entry(ies) should be standing by just before the corresponding Check-In time closes so we are able to process you quickly and keep things moving. Please have completed entry form(s) ready with payment. Blank entry forms will be on the Secretary table or you may print the last page of the premium and bring the completed form with you.
- Payments will be required when we accept your day-of-entry form; \$30 per entry per test per dog, cash or check payable to **Tri-City Fast CAT**.

#### **Cancellations**

- You will receive a refund for your entry fees (minus any online payment fee if applicable) ONLY IF the
  Field Test Secretary receives an email from you at tcfastcat@gmail.com before Wednesday, May 1,
  2024, at 6 PM AND if your spot(s) can be filled. Please include the following in your email:
  - Your first and last name
  - The dog's call name and breed
  - The test(s) you wish to cancel
  - Reason for cancellation

## **General Information**

- Dogs must be one year of age or older on the day of the test.
- Dogs not checked-in at the end of the corresponding Roll Call will lose their runs and forfeit their entry fees. Bitches in season, lame dogs and dogs judged unfit to compete by the Inspection Committee will be excused (with entry fees refunded).
- Spayed or neutered dogs may be entered.

- Roll call for the field committee and workers will be prioritized.
- Run ordering for Fast CATs will be at the discretion of the field committee, typically on an "is waiting and ready" basis. Priority for field committee dogs running will be given to free them up to work the tests.
- The Paddock Master will determine the run order for each time slot.
- The field committee reserves the right to bar known aggressive dogs from the event site.
- There will be a \$5 fine assessed for any loose dog not taking part in the course in progress or for anyone caught not picking up after their dog or leaving garbage on the field.
- NO ONE will be allowed on the field without the express permission of the Field Committee.
- Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
- Control of dogs is strictly enforced. Dogs must be on leash at all times, except when running.
- Clean up and dispose of all trash.
- Please pick up all dog feces and dispose of trash in the receptacle provided at site.
- The field has limited shade, no cover and only the Fast CAT run is fenced and gated.
- Bring your own water for your dogs and shade.
- Battery powered, continuous loop or drag lure machines will be used. The lure will consist of a white
  plastic bag. The members of the Richland and Walla Walla Kennel Clubs reserve the right to alter the
  course plan as required by weather and/or field conditions on the day of the test.
- Start and finish light curtain system with a scoreboard will be used for accurate timing.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC. Children must be under control of their parent(s) or quardian(s) at all times.
- Neither Richland or Walla Walla Kennel Clubs and its members will be held responsible for any accidents at this trial.
- ALL DOGS RUN AT OWNER'S SOLE RISK.

## For First Time Runners and Handlers

- WHAT ARE PRE-ENTRIES? Entries made before the closing date. If your entry is mailed in time, yet
  due to the failure of the postal service it is not received in time for the Field Test Secretary to have it at
  the event, then you will have to fill out-day-of entry forms on the day of the test. Always have your dog's
  registration information with you when you go to a test.
- WHAT ARE "DAY-OF" ENTRIES? Entries accepted after the closing date are considered day-of-entries.
  Day-of-entries are usually more expensive because the Field Test Secretary must take extra time to add
  those entries to the record sheets the morning of the test, which delays the start of the test. If you are
  entering on the day of the test, you MUST have your completed entry to the Field Test Secretary
  BEFORE the end of Roll Call.
- COLLARS AND LEASHES Your dog can run without a collar or wear a flat collar with nothing dangling from it. You can tape tags to the collar so they don't catch in the line. You need to have 2 leads with you: one for the Releaser and one for the Catcher.

- There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The slip lead comes off the dog just prior to the release of the dog to chase the lure. If you choose to use a slip lead or have your dog run without a collar, be sure your catcher has a collar and lead to secure your dog at the finish line.
- INSPECTION Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrous (in season) regardless of spay. Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded. All dogs will be inspected before each Test.
- WICKET All dogs will be wicketted by the Inspection Committee. Based on the height of your dog, a handicap will be applied to your dog. This number is used to calculate your dog's speed.
- ROLL CALL The time, prior to the commencement of running, by which you check in with the Field
  Test Secretary and are supposed to have your dog ready for inspection by the Inspection Committee.
  After Roll Call and Inspection, the dogs passing inspection will be placed on the Run Order List.
- RUN ORDER LIST This is a posted list of the running order for the dogs participating in the event.
   Always check the Run Board after you have checked in and completed your dog's inspection to confirm your dog's Run Order.
- RELEASER AND CATCHER You must have someone to release and someone to catch your dog. It is
  your responsibility to arrange for assistance.
- WARM-UP, COOL-DOWN It is highly recommended that all dogs running are walked out for about 10-15 minutes prior to and after their runs to get them warmed up and to cool them down. The cool-down is very important because it helps prevent lactic acid build-up in the muscles which leads to soreness.
- WHAT MUST MY DOG DO TO PASS A Fast CAT? Fast CAT, unlike the CAT, is not a pass/fail, but a timed 100 yard dash after a lure through a start gate and a stop gate. The time is converted over to MPH and then multiplied by a potential handicap based on the dog's height to award points.
- CAN MY DOG EARN AN AKC TITLE FOR Fast CAT? Titles are earned by accumulating points. The
  following titles will be awarded: BCAT = 150 points; DCAT = 500 points; FCAT = 1,000 points; and
  FCAT followed by a number (e.g. FCAT2) for every additional 500 points. These suffix titles will appear
  on a dog's pedigree, with a higher level title superseding a lower level title.

### Fast CAT Run Process at the Event

- PRO TIP: People know how we run Fast CATs (first come, first served) and line up 30-60 minutes before Check In starts so they can be at the top of the running order.
- Check in (Roll Call) during the time listed above for the AM or PM runs. Dogs not checked in at the end
  of the corresponding Roll Call will lose their runs and forfeit their entry fees. You will receive your dog's
  run slip and proceed to the Inspection Station.
- All entries whether pre-entered or day-of entries must check in with the Field Test Secretary. You will
  receive a Run Slip and then proceed with your dog(s) to Inspection.
- Have your dog(s) inspected at the Inspection Station. The Inspection person will give the Run Board person your run slip and they will add it to the run order. Let the Inspection Team know if you need your dogs separated in the run order. Once your dog(s) pass Inspection, they will be added to the Run Board in groups of 6 (a flight).
- You may look at the Run Board to see where your dog is in the run order, but DO NOT move or remove any run slip from the Run Board. Only the person in charge of the Run Board may do so.

- Make sure you have a Releaser and a Catcher who both have a leash before it is your turn to run your dog. If you do not have a catcher with you, ask the other participants if they will help you. Plenty of people are willing to help each other, but you must ask.
- Stay in the Staging Area so you hear your dog's name when it is called to proceed to the Paddock. You
  will receive your run slip and be directed to have the Releaser and your dog proceed to the Paddock to
  wait for your dog's turn to run. The Catcher will be directed to proceed to the Finish Line and wait there
  until they see your dog enter the gate at the Start Line. Please have your Catcher catch the dog quickly
  and exit the course so we can keep things moving.
- After your dog runs, the Releaser will receive a copy of the run slip with your dog's time recorded and a
  qualifying ribbon if the dog completed the run. You can use the calculation at the bottom of the slip to
  figure out your dog's MPH and AKC points.
- If you signed up to do both the AM and PM runs for the day, you may go back to the Secretary Table to get the PM run slip. We must run all the AM dogs that are present before we can add PM runs to the morning run order. We cannot guarantee you will get concurrent runs in the AM.
