SPRING LANDSCAPING TIPS

It's almost time for Spring! So below are some tips on how to spruce up your landscaping for the coming season.

We recommend cleaning up flower beds by pulling weeds, adding new mulch, and installing seasonal color.

And as always, be sure to mow your lawn regularly, pull any sprouting weeds, trim back shrubbery, and remove any dead plants from your landscaping to keep it looking fresh this Spring!

FRONT ENTRANCE GATE

If you notice that the front entrance gate has been left open for an extended period of time, please contact Magnolia Management Services.

Thank you.

OWNER ACCESS PORTALS

All residents should have been sent an email with instructions on how to register for the owner access portals for our new software.

Once your account is created, you will be able to log into the owner access portals from any device to access important association documents.

To access the portals, visit the association website and click the button under the "Owner Access Portals" section, and it will bring you directly to the website.

You can also visit the website from the following link to login or set up your account: <https://portal.magnoliabr.com/>.

Please contact us with any further questions regarding this information.

SPEEDING REMINDER

We ask that all residents please watch their speed when driving through the neighborhood.

It is important that everyone drives in accordance with the speed limit for the safety of all residents.

Thank you for your cooperation.
