CELEBRATING 90 YEARS OF IMPACT

Blues by Starlight

A Signature Event of the Boys & Girls Clubs of Central Mississippi 90th Anniversary Celebration

A Legacy of Impact

For 90 years, Boys & Girls Clubs of Central Mississippi has empowered young people to discover their potential, develop their talents, and build successful futures.

As we celebrate this historic milestone, we honor generations of Club members whose lives have been shaped through caring mentors, safe places to learn and grow, academic support, leadership development, and opportunities that extend far beyond our Club walls.

Blues by Starlight is more than an evening of live music. It is one of our signature fundraising events, bringing together community leaders, corporate partners, and supporters to celebrate our legacy while investing in the next generation.

Every sponsorship directly supports programs that inspire academic success, strengthen character and leadership, encourage healthy lifestyles, and prepare young people for college, careers, and life.
