NOTE: All members have agreed to the following rules and hold harmless agreements when they submit their request to enroll. This page is an easy to find reminder of what our rules are:

Classeteria Participation Agreement

Classeteria is an inclusive, secular homeschool organization. Our goal is to give our children a safe environment for enjoyable and meaningful social and educational opportunities. This is a collaborative adventure! We welcome the involvement and participation of every family.

By joining Classeteria you have read and agreed to these terms of service and behavior expectations, and have indicated that you accept and agree with each requirement of the Classeteria Participation Agreement (LPA).

- **I agree to have an adult on-site in the Citadel Mall and in charge of my children, ages 12 and younger at all Classeteria classes and events.** (Note: Children under 12 can **not** be left unsupervised at any Classeteria-sponsored event. If a parent must leave while their child is in class, please make arrangements with another adult to be responsible for your child. Please make sure your child knows that you will be gone and which adult will be supervising them. And be sure to leave a phone number where you can reach, in case of emergency, while you step out.)
- **I understand that children 12 and older may be dropped off for classes, so long as they are responsible and well-behaved, have a way to contact their parents in case of emergency, and are picked up by parents before the end of the class day.**
- **I understand that teachers are not responsible for children after class or between classes.** No one will escort my child from one class to another. I, or the adult I have designated in my absence, must be responsible for my child at all Classeteria events and activities. (Note: Although some parents of older children may feel that their children do not require close supervision, our children are legally considered minors. If they are out of school and unsupervised during school hours, they may be considered truant. If your child is injured or has an emergency while at a Classeteria activity, and you or another designated adult is not there, you could be considered negligent.)
- **I understand that when registering for a class, I am agreeing to pay the Classeteria registration/tuition fee and the individual teacher fees listed for each class.** If I decide to drop a class after the semester has started, I will not receive a refund of the Classeteria fee. I will let the instructor know and acknowledge that I may still be responsible for paying the teacher's fee in full for that semester.

Classeteria Behavior Agreement -- For Both Children and Adults at Classeteria

*Neither the class facility nor Classeteria (as group or as individual members) accepts any liability for your children. *Please leave the classroom as you found them. Please instruct your children to do the same.*

*Your child is expected to behave appropriately at all times, as explained below. Please be aware that if your child's behavior becomes a problem, you may be asked to stay with your child in class, and/or supervise him or her more closely. Your child may also be asked to leave the class or activity, and may, in extreme cases, be banned from participating in Classeteria classes and events altogether.

If you have a concern or question about a class, please discuss this with your child's teacher first. If you feel that your question has not been resolved by the teacher, please address your concern to the Classeteria Class Coordinator. You may address general questions about our group to the Classeteria Director, Heather Anderson.
