Ocean Gate's Buy A Board Program, Donate a board to help rebuild the "Jewel of the Toms River"

Help rebuild the Ocean Gate Boardwalk "The Jewel of the Toms River" by donating an engraved board to be placed on the Ocean Gate Boardwalk. Each board will include a personalized message.

- Each donated board will cost $250.00 and will remain on the boardwalk for the life of the board.
- Messages can be 50 characters/spaces per board. (All entries will be screened for appropriate content. The Borough has the right to reject entries).
- Boards may be requested to be placed in a specific zone (limited space available, so first to order, first to be placed). Please request zone (no guarantees). We will do our best to accommodate zone requests.
- Boards CAN NOT be painted or altered in any way. (The Borough will remove any board that is painted or altered)
