§ 688-24-3 License Required, application requirement, advertising

- A. No person, partnership, limited liability company, corporation, or other entity shall engage in the business of buying, selling, or pawning of precious metals or other secondhand goods, as defined above, within the Borough of Ocean Gate, without having first obtained a license therefore from the Municipal Clerk, which license shall bear a number issued by the Municipal Clerk.
- B. The application for a license to the Municipal Clerk shall set forth the name, date of birth, and address of the dealer, whether or not he or she is a citizen of the United States, and whether or not he or she has ever been convicted of any crime(s), disorderly persons offense(s), or municipal ordinance violation(s), and the date(s) thereof.
- C. No person, partnership limited liability company, corporation or other entity shall place or cause to be placed any advertisement for purchase of such articles or goods without stating in the advertising the license number issued to a person or entity by the Borough. In any print advertisement, the license number shall appear in type no smaller than eight point in the lower-right-hand corner of the advertisement. In any advertisement in electronic media, the license number shall be visually or audibly stated. Failure to state or indicate the license number shall be a violation of this chapter and shall be subject to the penalties established in § 688-24-9.
- D. Licenses granted under this chapter are not transferable or assignable.

§ 688-24-4 Application process for dealers; approval or denial; appeal

- A) Applications for licensure under this Chapter shall be referred by the Clerk to the Chief of Police, who shall make an investigation of the prospective licensee, pursuant to this chapter for the purpose of determining the suitability of the applicant for licensing. The investigation shall include, but shall not be limited to the following:
 - 1) The experience of the applicant in the business of purchase and sale of those articles or goods referred to in § 688-24-2 above, although nothing in this section shall be construed to warrant denial of a license solely on the basis of lack of experience;
 - 2) The reputation of the applicant for fair dealing in the community, which shall be made among credible sources, which sources shall be disclosed to the applicant in the event of a denial of any license;
 - 3) Any criminal record of the applicant including any past convictions for any crime(s), disorderly persons offense(s), or municipal ordinance violation(s) within this or any other jurisdiction. The Chief of Police may, as part of the application process, require a fingerprint criminal background check through the Federal Bureau of Investigation, Criminal Justice Information

Services Division, which may require an additional fee from the applicant.

- 4) The type of operation contemplated to be conducted by the applicant, particularly whether the business is to be operated from a fixed location, whether it is to be conducted from a location primarily devoted to the purchase and sale of precious metal or other secondhand goods, and other factors bearing on whether the licensed business will be of a fixed and permanent nature. This section shall not be construed to require denial of any license solely on the grounds that the business is not from a fixed location or that the applicant is a transient buyer or itinerant business, however applicants who fall under the category of a transient buyer or itinerant business must state with specificity on the license application the business address where transaction records required by § 589-14-6(D) of this chapter will be stored as well as the location where purchased goods will be retained during the mandatory inspection period required under §688-24-6(A).
- B) The Chief of Police shall complete any investigation pursuant to this chapter within thirty (30) days of the submission of the completed application to the Municipal Clerk. If a criminal record check has been requested within the thirty-day period and has not been received by the Chief of Police within that period, the Chief of Police may, if all other factors are satisfactory, recommend a conditional issuance of the license subject to the finding regarding criminal record.
- C) The Chief of Police shall, upon completion of the investigation, recommend "grant" or "denial" of the license to the Municipal Clerk, who shall grant or deny the license. Any recommendation of the Chief of Police shall be in writing and, in the case of a recommendation of denial, shall state fully and specifically the reasons for said recommendation. The Municipal Clerk shall notify the applicant in writing within ten (10) days of a denial and the Clerk shall forward to the applicant a statement of the reason or reasons for such denial.
- D) Grounds for recommending denial of license may include reliable information indicating that the applicant has in the past engaged in fraudulent or deceptive business practices in a business identical to or similar to a dealer in secondhand goods. A license may be denied if the investigation reveals a conviction of the applicant or any of its principal officers or employees of any crime(s), disorderly persons offense(s) in which deceit or misrepresentation is an element; or any conviction of any crime(s), disorderly persons offense involving theft or the receiving of stolen goods, regardless of whether the applicant was a principal, accessory before the fact, after the fact, or a co-conspirator; or any prior

municipal ordinance violation(s) by the applicant or any of its principal officers or employees in this or any other jurisdiction. A license may be denied if the applicant fails to demonstrate an ability to satisfactorily comply with the electronic reporting requirements specified in § 688-24-5, the retention and inspection requirements of § 688-24-6, or any other portion of this chapter. Upon receipt of the recommendation of the Chief of Police, the Municipal Clerk shall issue or deny the license accordingly, contingent upon the receipt of a bond as required by § 688-24-8 of this chapter.

- E) Whenever any application for a permit is denied, the applicant shall be entitled to a hearing before the Borough Committee, at which time the applicant shall be permitted to introduce such evidence as may be deemed relevant to such denial. Any applicant exercising the right to appeal must file a written notice of appeal within ten (10) days of receiving written notice of denial of a license to act as a dealer of secondhand goods.

§ 688-24-5 Identification of seller; recordkeeping requirements for dealers

For every reportable transaction between a dealer and the public, the dealer shall be required to do as follows:

- A) Require acceptable identification from each person selling or pawning precious metals or other secondhand goods
- B) Require each seller to execute a "Declaration of Ownership," which shall contain the following certification: *"My signature confirms that I am the sole legal owner of and am legally authorized to sell the goods being sold. By signing below I certify that I did not obtain and do not possess the identified goods through unlawful means. I am the full age of eighteen years and the identification presented is valid and correct."*
- C) Record and issue to each person selling or pawning such goods on a sequentially numbered receipt:
 1. the name, address, and telephone number of the purchaser, including the clerk or employee of the licensee making the purchase;
 2. the name, address, date of birth, and telephone number of the seller or sellers;
 3. a photographed recording of the seller in a format acceptable to the Chief of Police, along with a physical description of the seller, including height and weight (approximate), hair color, eye color, facial hair, if any, etc.;

4. a photographed recording of the seller's presented acceptable identification, in a format acceptable by the Chief of Police;
5. a photographed recording of all items sold in a format acceptable by the Chief of Police. When photographing, all items must be positioned in a manner that makes them readily and easily identifiable. Items should not be grouped together when photographing or imaging. Each item should have its own photograph;
6. the receipt number;
7. a detailed, legible description of the item(s) and the manufacturer and model of the item(s) if known; in the case of jewelry, the descriptions must include style, length, color, design, and stones, if any; any identifying marks, including numbers, dates, sizes, shapes, initials, names, monograms, social security numbers engraved thereon, serial numbers, series numbers, or any other information, which sets apart the particular object from others of like kind;
8. the price paid for the purchase or pawn of the item(s);
9. if precious metals, the net weight in terms of pounds Troy, pennyweight (Troy) or kilograms/grams; fineness in terms of karats for gold, and sterling or coin for silver, in accordance with N.J.S.A. 51:5-1, N.J.S.A. 51:6-1 et seq.

D) The information outlined in Subsection C above must additionally be electronically documented through the use of an electronic database system authorized by the Chief of Police. Installation and training in this software will be made mandatory as of the effective date of this chapter, and licensing will be conditional upon compliance with proper use of the system as described herein. These records shall be subject to the inspection of any authorized police officer or any sworn law enforcement officer acting in the performance of his or her duty as set forth in Subsection F below. Through the use of applicably required computer equipment, and using the electronic format approved by the Chief of Police, every dealer shall enter all reportable transactions into the electronic database by the end of the close of business on the same date as the purchase or receipt of property for pawn or consignment. The information entered must contain all pertinent information outlined in Subsection C above.

E) In the event of a database failure or dealer's computer equipment malfunction, all transaction information is required to be submitted on paper forms approved by the Chief of Police within 24 hours from the date of purchase. In the event that paper forms are used, the dealer is responsible to enter all transaction information set forth in Subsection C above into the database as soon as possible upon the dealer's equipment being repaired or replaced or the database coming back into service. Failure by the dealer to properly maintain computer equipment in a reasonable fashion, or failure by the dealer to replace faulty computer equipment, may result in the dealer being cited for a violation of this chapter and subsequently being subject to the penalties for doing so, including revocation of the dealer's license as described below.

F) It shall be the requisite duty of every dealer, and of every person in the dealer's employ, to admit to the premises during business hours any member of the Police Department to examine any database, book, ledger, or any other record on the premises relating to the reportable transactions of precious metals or other secondhand goods, as well as the articles purchased or received and, where necessary, relinquish custody of those articles as provided below. Itinerant businesses and transient buyers will be responsible for notifying the Chief of Police of the address where these records and articles will be stored.

§ 688-24-6: Retention; revocation; other restrictions.

- A) All precious metals and other secondhand goods purchased, received for pawn, or received for consignment, as described above, are to be made available for inspection by the Chief of Police or designee thereof at the designated business address for a period of at least seven calendar days from the date the transaction information is actually reported to the Chief of Police in the approved manner described above in § 688-24-5 except for jewelry, which must be maintained for the ten-day statutory period provided in N.J.S.A. 2C:21-36d. All precious metal or other secondhand goods subject to inspection must remain in the same condition as when purchased or received for pawn and shall not be sold, disposed of, changed, modified, or melted by the dealer until the retention period has expired. Itinerant businesses and transient buyers will be responsible for notifying the Chief of Police of the location where the purchased item(s) is(are) being held.
- B) Upon probable cause that goods held by a dealer are stolen, and providing that the seller signed the mandatory statement required by § 688-24-5 upon the sale of those goods, a law enforcement officer with jurisdiction should charge the seller with theft by deception under N.J.S.A. 2C:20-4 on behalf of the dealer, who shall be considered the "victim" of the offense for the purposes of N.J.S.A. 2C:43-3. The officer shall seize the goods, provide the dealer with a receipt, and issue a criminal complaint against the seller for theft by deception and any other criminal charges for which the officer has probable cause that the seller has committed. If convicted of theft by deception and if so found by an order of a court of valid jurisdiction, the seller will be responsible for providing restitution to the dealer under N.J.S.A. 2C:44-2 for the amount paid by the dealer to the seller for the stolen goods.
- C) If market conditions would create a hardship on the dealer by holding precious metals or other secondhand goods for such period, the dealer may present the property to the Chief of Police in order that it may be photographed, and if deemed necessary by the Chief of Police, an investigation may be implemented. The Chief of Police shall have the authority to grant the dealer a waiver of the requirement under this section.

- D) In addition to all other reporting requirements, every dealer shall maintain, for at least five years, a written record of all purchases of precious metals and other secondhand goods in the form prescribed in § 688-24-5.
- E) No dealer shall purchase any item covered by this chapter from any person under the age of 18 or in the absence of providing prior notification of such purchase to the Chief of Police or business designee identifying the individual from whom such purchase is to be made and the item to be purchased.
- F) Suspension. The Chief of Police or a designee thereof is hereby empowered to temporarily suspend for cause any dealer's license and rights to operate thereunder. This penalty shall be in addition to any fines and penalties the dealer may incur pursuant to this Chapter's "Violations and Penalties" section.
1. Grounds for suspension. The following shall constitute grounds for suspension: violation of any provisions of this chapter, including failure to comply with any training or fees associated with the electronic database software system in use by the municipality; violation of any other statute, regulation, or local ordinance; or any other illegal, improper, or fraudulent activity.
 2. Procedure for suspension. Upon determination that appropriate grounds exist and that a suspension is warranted, the Chief of Police or a designee thereof shall issue a written notice of suspension of license to the offending dealer and to the Municipal Clerk, which shall set forth the grounds for the suspension and notify the dealer of his or her right to appeal pursuant to the "Appeal" section below. A temporary suspension shall issue immediately, pending the outcome of any appeal taken. Suspended dealers must immediately cease engaging in the business of purchasing for resale, receiving for pawn, and/or selling of precious metals and/or other secondhand goods in the municipality until reinstatement.
 3. Reinstatement. Suspended dealers may be reinstated only when the grounds leading to the suspension have, in the determination of the Chief of Police or the Chief's designee, been cured, corrected, or appropriately rectified, or if reinstatement is deemed appropriate by the three-person panel appointed by the Chief of Police, upon the timely filing of an appeal as provided in the "Appeal" sub-section below.
- G) Revocation. A license issued under this chapter may be revoked by the Municipal Clerk upon written recommendation from the Chief of Police

or the Chief's designee that the dealer is no longer qualified, capable or competent to comply with the requirements of this chapter. This penalty shall be in addition to any fines and penalties the dealer may incur pursuant to this Chapter's "Violations and Penalties" section.

1. Grounds for revocation. The following shall constitute grounds for revocation: a third violation under this chapter; a second violation under this chapter less than one year after an earlier violation under this chapter; conviction for a criminal offense within this or any jurisdiction; or multiple violations of any other regulations or local ordinances within this or any jurisdiction.
 2. Procedure for revocation. Upon a determination that appropriate grounds exist and that a revocation is warranted, the Chief of Police or the Chief's designee shall so report to the Municipal Clerk in writing. A temporary suspension will immediately and automatically issue, if one is not already in effect, pending the outcome of the charge. A three-person panel, appointed by the Chief of Police, shall review the stated grounds for revocation, and the panel shall issue an appropriate disposition of either suspension, revocation, or reinstatement. If the panel determines that revocation is the appropriate disposition, it shall set forth the grounds for the same in writing in the form of a notice of revocation, which shall be provided to the dealer. The notice shall advise the dealer of the right to appeal. If the panel determines that suspension is the appropriate disposition, it shall provide the dealer with a notice of suspension that shall advise the dealer of the right to appeal. Following revocation, the dealer must relinquish his or her license and must immediately and indefinitely cease operating as a dealer of precious metals or other secondhand goods within the municipality.
- H) Appeal. Any applicant wishing to appeal an issuance of a suspension or revocation shall be entitled to a hearing before a three-person panel, appointed by the Chief of Police, at which time the applicant shall be permitted to introduce such evidence as may be deemed relevant to such suspension or revocation. Any applicant exercising the right to appeal must file a written notice of appeal within 10 days of receiving written notice of revocation or suspension of license.
- I) A dealer shall have the right to change the location of the licensed business, provided that he or she notifies the Municipal Clerk, in writing, of the street address of said new location.

§ 688-24-7 Bond Required.

Each dealer covered under this chapter shall deliver a bond to the Municipal Clerk executed by the applicant as principal and executed by a surety company authorized to

do business under the laws of the State of New Jersey as surety. The bond shall be subject to review and approval by the Municipal Attorney, as defined in N.J.S.A. 40A:9-139, and shall be in the penal sum of \$1,000, conditioned for the due and proper observance of and compliance with the provisions and requirements of all ordinances of the municipality in force or which may be adopted respecting the conduct of this business and conditioned also that the bond shall be and remain for the benefit of any person or persons who shall have received judgment against the dealer licensed under this chapter, which damage shall be established by a judgment of a court of proper jurisdiction. Said bond shall contain the following language: "The obligation of this bond shall, in addition to the Borough of Ocean Gate, be and remain for the benefit of any person who shall obtain a judgment against obligor as a result of damage sustained in operation pursuant to any license granted under this chapter." Said bond shall be kept for a minimum of one year from the date of issuance of license and must be renewed annually along with the license.

§ 688-24-8 Fees; Period of License Validity.

A nonrefundable fee for initial application and license for a pawnbroker or a dealer in precious metals or other secondhand goods, as covered under this chapter, is \$100. The annual renewal fee for a license is \$100. These fees are separate from and in addition to any fees the dealer must pay in relation to the mandatory electronic database system designated by the Chief of Police, as provided in § 688-24-5(D) of this chapter. Payments are to be made in the manner directed by the Municipal Clerk. A license is valid for a one-year period from the date of its issuance.

§ 688-24-9 Violations and Penalties.

Violation of any provision of this chapter by any dealer shall, upon conviction thereof, be punished by a fine not in excess of the limitations of N.J.S.A. 40:49-5 or by a term of imprisonment or a period of community service not exceeding 90 days in addition to a suspension or revocation of operating license as provided above. Each and every violation shall be considered a separate violation.

Each violation shall result in an additional suspension period. Any person who is found guilty of violating the provisions of this chapter within one year of the date of a previous violation and who was fined for the previous violation may be sentenced by the court to an additional fine as a repeat offender and, in addition, may be subject to revocation proceedings as provided above. The additional fine imposed as a repeat offender shall not be less than the minimum or exceed the maximum fine provided herein, and same shall be calculated separately from the fine imposed for the violation of this chapter.

§ 688-24-10 Time Limit for Conformance; Repealer.

- A) Any person, partnership, limited liability company, corporation, or other entity engaging in the business of a pawnbroker or a dealer in precious metals or other secondhand goods shall conform to the provisions of this chapter within 90 days following the effective date of this chapter.

- B) All ordinances or parts of ordinances inconsistent herewith are hereby repealed.
- C) Nothing contained in this chapter is intended to replace any preexisting statutory requirements governing pawnbrokers, as in N.J.S.A. 45:22-1 et seq., the sale of precious metals as in N.J.S.A. 51:6A-1 et seq., the sale of secondhand jewelry as in N.J.S.A. 2C:21-36 et seq., or any other statutory provision regarding any subject matter discussed herein.

Section 5. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not a current expense and are improvements or purposes that the Borough may lawfully undertake as water utility improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of the improvements or purposes, within the limitations of the Local Bond Law and taking into consideration the amount of the obligations authorized for said purposes, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is thirty (30) years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Borough Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such Statement shows that the gross debt of the Borough as defined in the Local Bond Law is not increased by the authorization of the \$1,700,000 bonds and notes provided in this bond ordinance because the purposes authorized herein are self-liquidating and are deductible from the Borough's gross debt in accordance with N.J.S.A. 40A:2-44c and the obligations authorized herein will be within all debt limitations prescribed by said Law.

(d) An aggregate amount not exceeding \$200,000 for interest on said obligations, costs of issuing said obligations, engineering costs, legal fees and other items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included as part of the cost of said improvements and is included in the estimated cost indicated herein for said improvements.

(e) To the extent that moneys of the Borough are used to finance, on an interim basis, costs of said improvements or purposes, the Borough reasonably expects such costs to be paid or reimbursed with the proceeds of obligations issued pursuant hereto. This ordinance shall constitute a declaration of official intent for the purposes and within the meaning of Section 1.150-2(e) of the United States Treasury Regulations.

(f) This bond ordinance authorizes obligations of the Borough solely for purposes described in subparagraph (h) of N.J.S.A. 40A:2-7 of the Local Bond Law, and the obligations authorized herein are to be issued for purposes which are self-liquidating within the meaning and limitation of N.J.S.A. 40A:2-45 of said Local Bond Law and are deductible from the

gross debt of the Borough pursuant to N.J.S.A. 40A:2-44c and N.J.S.A. 40A:2-46 of said Local Bond Law.

Section 6. The capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local Government Services is on file with the Borough Clerk and is available there for public inspection.

Section 7. Any grant or similar moneys from time to time received by the Borough for the improvements or purposes described in Section 3 hereof, shall be applied either to direct payment of the cost of the improvements within the appropriation herein authorized or to payment of the obligations issued pursuant to this ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are received and so used.

Section 8. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and, unless paid from other sources, the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation as to rate or amount.

Section 9. This bond ordinance shall take effect thirty (30) days after the first publication thereof after final adoption, as provided by the Local Bond Law.
