APRIL 2021 CALENDAR FOR NURSERY SCHOOL PARENTS

WARMER WEATHER IS HERE (almost)

The children will be spending a lot more time outdoors in the warm weather. Ticks are out and about already, so periodically check your child for ticks after outdoor play. Please be sure to apply sunscreen to your children before sending them to school. Play clothes and sneakers are best for outdoor play. **Please send your child to school in a closed toed shoe, no flip flops or open toed sandals. Thanks**

OPPORTUNITIES TO SUPPORT THE NURSERY SCHOOL

Fundraising is a major way in which the nursery school is able to keep tuition low, maintain a quality program and provide scholarships. Please consider participating in some of our simple fundraising opportunities.

AMAZON SMILE

The Nursery School is now associated with Amazon Smile. When shopping through Amazon please consider going to Amazon Smile and listing United Church Nursery School at Chapel on the Hill as your non profit of choice and the nursery school will received a percentage of the profits.

KROGER COMMUNITY REWARDS

If you shop at Kroger and have a Kroger card, please take a few minutes to link your card to the nursery school. Every time you use your card, the nursery school will get a kick back from Kroger. To link your card, go to **Kroger Community Rewards** and enroll in the program. It just takes a few minutes but can really benefit the school. Friends and family can link their cards too.

TUITION ROUND UP

By rounding up your tuition check a few dollars every month, you are helping the nursery school provide scholarships for children who might not otherwise be financially able to attend. Thanks to all those who have participated in Tuition Round Up.

SPRING SING:

This will be handled just like the Christmas Sing except the **Half-Pints will be singing with us this spring!** Children in the *youngest class will not be participating in the sing.* We welcome the youngest class to come with their parents and watch the older children sing. Tuesday-Thursday children should come at 10:00 and they will sing with the 3-day classes out in the parking lot. We will then have popsicles. The children have been working hard, and they sound great. It should be an entertaining show! There will be **no Kids' Lunch In** that day

The first date for the sing that we are looking at is May 14th

Rain date is May 21st.
