SCHOOL PICTURES

Oct. 18th -22nd

Mark your calendars for school pictures. They are scheduled for the **week of October 18th**. Tara Knieser will be at the nursery school taking outdoor fall portraits of the children. She will begin on Monday and continue to photograph some children each day until everyone who chooses can have their picture taken. A schedule of when each class will have their picture made will be distributed before Fall Break. Tara does great work and we are excited to have her photograph us again this year. More information on picture packages is to come. There is no obligation to purchase pictures if you have your child's photograph taken.
