

## Capability Statement

### Cage 06L72 | UEI TX6FY6RXDJA5

#### Corporate Overview

Precision manufacturing company specializing in the design, development, and production of precise, critical components. Operating at the forefront of technology with top of the line machines and manufacturing practices. We offer milling, lathe, laser engraving/marking, CMM, and EDM services.

#### Differentiators

- Depth of precision CNC machining experience across multiple industries,
- In-house programming and assembly capabilities
- Commitment to on time delivery through automation
- Ability to work with various types of metal and plastics

#### Past Performances

**SPACEX**

**NORTHROP  
GRUMMAN**

**HOWMET  
AEROSPACE**

**TriMas**  
AEROSPACE™

#### Primary Codes

##### **NAICS Codes:**

332710 - Machine Shops

336413 - Aerospace Product & Parts Manufacturing

332721- Precision Turned Product Manufacturing

332313- Plate Work Manufacturing

##### **PSC Codes:**

3408- Machining centers.

3416- Lathes

3417- Milling Machines

##### **SIC Code:**

359903 - Machine Shops

#### Core Competencies

- Multi-axis Milling
- Precision Turning
- CAD - CAM
- EDM
- CMM
- Laser Marking/Engraving

#### Company Snapshot
