Her Reiki-Guided Meditation classes are being featured at the Comprehensive Cancer Center for the first time and are also open to the public.

Her work as an Energy Healing Therapist has many purposes, but follows this singular principle, "So that we can help one another laugh, love, and enjoy all the wonders of this beautiful world, to make a difference in the world and leave it a better place than when we arrived, to contribute as much as we can, and to laugh as much as possible, especially at ourselves..."

Her Conversational Therapy and Private Reiki Energy Healings have touched thousands and will be available in the spa or your residence by appointment. For

more information, call the Spa Concierge, or Nejume directly at 305.495.0944 or visit her website: WWW.NEJUME.COM.
