

Retired Boston Police Officers Association

The Retired Boston Police Officers Association is a 501 (c) (5) nonprofit Retired law enforcement organization dedicated to help other organizations and charities along with our members who are in need due to extenuating circumstances associated with Retirement. The donations made to us will go into Marion Manner, Cops for kids with cancer, VFW Post 1018, and variety of other charities. Each year, when possible, we provide scholarships to our retired members who have grandchildren attending school full time.

We appreciate your generous donation and your continued support of our organization.
