MEET THE VISION BEHIND THE MOVEMENT

Share the Vision Workshops empower students to Think Big and Act Bold.

- In the Vision Board Workshop, students reflect on identity, mindset, and future goals while creating a visual representation of their vision.
- In the Bold Goals Lab, students learn how to set bold 90-day goals, break them into milestones and daily habits, and build accountability using the Bold Productivity Planner.

Perfect for high school students, AVID, CTE, entrepreneurship, and college & career readiness programs.

Megan Ewing is the founder of Think Big, Act Bold and the Share the Vision initiative. She has led workshops for over 300 youth, helping students gain confidence, set goals, and take bold action toward their future.
