Technical Data

Solvent-Free Hand Cleaner

DESCRIPTION:	Green coloured viscous liquid soap, lemon bouquet fragranced
USED FOR:	Kemmano is an ideal solvent-free hand cleaner for machine and industrial shops, garages, factories, businesses, offices or any establishment where industrial grease and soil is prevalent.
ADVANTAGES:	<p>Kemmano is extremely effective in removing grease, dirt, ink, carbon, and all types of industrial grime.</p> <p>Can be used with or without water: Kemmano emulsifies, penetrates and conditions in one easy step without scrubbing. Where water is not available for rinsing, hands can be wiped with a clean towel or cloth.</p> <p>Contains Protein: It is fortified with a special protein additive such that protein is returned to the skin to prevent drying, cracking and peeling.</p> <p>Ecologically Safe: Kemmani is completely biodegradable.</p>
PROPERTIES:	<p>Natural soaps, buffered detergent, protein with additives and skin emollients.</p> <p>pH factor: 10</p>
DIRECTIONS:	<p>Dispense small amounts into palm of hand.</p> <p>Rub into hands to loosen soils and break up grease.</p> <p>Wet hands and work soap into a lather.</p> <p>Rinse completely.</p>
