Xandra has an unbelievable voice

“A++++

Spectacular.... We had several people who are intimately involved with opera at the event. One is sponsoring an Opera Singer for her City’s Company, another has a daughter who graduated from the San Francisco Conservatory and traveled throughout Europe as a Soprano. And several more have served on Boards for “Professionally STUDIED Music,” Organizations. Everyone was blown away!!! Beautiful atmosphere!! Salty is 100% professional. I cannot...check anything below...except DJ and Oldies Music...which does not do this justice!!!!” - Frances Rorer

“Amazing incredible Involved

The music they provided for the kids and the adults was incredible. The performance by their singer was more than Amazing she had the voice of an angel. When she sang it stopped the kids dead in their tracks. It was like their own personal concert.The mix by Lee was awesome the way with new and old rock and rap made you want to dance the night away! Thank you. You made my daughters day and mine special .I was so impressed with them we hired them for our older daughters college graduation ! ROCK ON !!!!
Salty was awesome ! A great mix!” - Rich

“Highest quality entertainment/highest quality humanity

I work in property management and throw events for the residents. Dj Salty came and facilitated THE LOVELIEST 4th of July party. Super professional, communicative and truly a dream to work with and is a straight shooter! I absolutely plan on using DJ salty again for more events. If you want to work with professionals and decent human beings (rare combo these days) book DJ Salty!” - Kevin T.
