

HEALTH, SAFETY, ENVIRONMENTAL & COVID 19 COMPLIANCE ASSESSMENT

LOCATION- AMANZI SWIM CENTRE

We have inspected the facility and have been presented with the Health, Safety, Environmental Plan, Covid 19 Management Workplan and the Hazard Identification Risk Assessment.

We have adjudicated the documents to determine whether Amanzi Swim Centre has sufficiently demonstrated how it proposes to conform to the Occupational Health and Safety Act 85 of 1993, and to ensure compliance with the Occupational Health & Safety Act 85 of 1993, specifically the final OHS Directive on the Covid 19 Regulations

Please note the following physical criteria was also assessed and on the day of assessment found to be compliant. Continuous awareness and compliance levels need to be enforced as per the OHS Act 85/1993, Disaster Management Act and all other relevant regulations.

Criteria checked:

- Covid 19 Pre-Screening Area & Procedure
- Swim Areas Health, Safety & Hygiene
- Change Stations & Ablutions Health, Safety and Hygiene
- Covid 19 Signage displayed
- Covid 19 PPE Issue and Use
- Covid 19 Compliance Officers appointed in Writing

Amanzi Swim Centre has Complied with all Relevant Criteria

Issue Date- 22 July 2020
