Commandant Osa Tuck

Hello everyone, I hope this finds you all well and in good spirits. First off, thanks to everyone that attended the Department meeting last month. We had a great turnout and everyone appeared to have a good time. The food that was provided by the Auxiliary was fantastic! Great job. Cash sales was handled very nicely, thanks to everyone that helped set it up and keep it manned.

Reminder: Mid -Winter conference is coming up quick, it is on the books for this month. February 25 through March 1, 2026 – National MCL/MCLA Midwinter Conference w Sheraton Pentagon City – 900 South Orme Street, Arlington, VA. I will be attending and looking forward to having a good time.

Last but not least, since I am going to be at the Midwinter conference. If there is anything you might need from the ships store, let me know and I will pick it up while I am there. This has the advantage of saving us the cost of shipping. Feel free to drop me an email, phone call, text message, and make sure to give me sizes as well.

Looking forward to seeing everyone at the next general meeting.

Commandant Osa

Paymaster Dan Wood

Here we are into early February and moving right along. As of this writing our Detachment only had 9 members that are still delinquent and now in danger of being dropped from our Membership Roster at National. I have already contacted all of you who have not yet paid your dues so I will NOT be calling you again. I'm not your mother, so please let's be responsible adults here and come to the meeting Saturday 21 Feb. and pay them, OR you can mail a check, or even cash, I know, NOT recommended but it's an option.

Hope you all are enjoying the nice weather so far, you know what they say about March: "In like a lamb, out like a lion" and vice versa.

Quartermaster Osa Tuck

Hi all, we had a great turnout at the Department meeting and plenty of help setting up, manning the store, and the tear down as well. Great job! I am planning on having cash sales open at the next general meeting. As the Commandant said, if you need anything from Ship Store, let me know and I will pick it up while I am at Midwinter Conference. See you all in a couple of weeks.

Semper Fi,
Osa

WWII/Korean War/Vietnam Luncheon

Monday, February 9, 2026 (the 2nd Monday of every month)

Veterans start arriving at 1030 Guest speaker starts at 1115

Guest Speaker: Travis Williams — CEO & Pres of Springs Rescue Mission.

Stetson Hills I-HOP Private dining room; 5749 Stetson Hills Blvd, Colorado Springs, CO 80917

Chaplain Terry Crum

Marine Corps League family.

I pray that everyone is doing well during this winter season. The recent cold snap has passed and we are looking at some nice weather for a while. Much of the nation is doing worse than we are. Areas in the south that are not used to snow are on a fast learning curve now.

During the last meeting I had intended to talk about our old friend Ken Sanguinetti. Well his name got left off my list of folks to talk about during the "sick and distress portion of the meeting. Ken is a Korean War Veteran in his 90s. Ken and his wife, Jean, have been living at the Center at Centennial on and off for the last year. As of late, Ken has been bed ridden for a few weeks now and Jean is recovering from a bad fall. They are hanging in there and attempting to be hopeful, but say it is difficult. Please keep these good folks in your thoughts and prayers.

Paul Reifke is recovering from his recent stay at the hospital. He told me that he is doing better every day. That sure is good news. I look forward to seeing Paul at the February meeting.

Lynn Douglass went through 3 surgical procedures totaling 18 hours over two days recently. Theresa and I visited Lynn at Memorial Central Hospital on Sunday after church. Theresa promised Lynn a dessert with chocolate when she gets home. Theresa promised her peanut butter chocolate chip cookies. That got a smile out of her. Theresa and I are also planning to provide Scott and Lynn some meals in order to make their life a bit easier while Lynn recovers. Lynn is a tough gal. She is now home and very happy to be there. Please pray for this wonderful lady. Scott is very relieved to have this chapter in the rear view mirror.

I saw Denise Wickersheim at the Toys for Tots warehouse recently. Denise was getting around using a walker after a recent surgical procedure on her knee. She is another tough gal that refuses to let a small problem hold her back.

Bill Bohn and his family are also in of prayers. Bill has cancer that appears to be spreading to another part of his body. His wife Rosslynne "Roz" also suffers from a retina becoming detached from her left eye repeatedly. Her most recent procedure was done a bit differently and all concerned appear hopeful that this time will be different. Lastly, Bill's adult son, Keith, is recovering from a bad reaction to medication from a procedure he underwent not long ago.

Unfinished business of prayer includes Vince Espinoza, Milt Whitaker, Terry Baty, and Fred Smith.

As mentioned last year, getting old is not for wimps. So many of our members are going through trials and tribulations and can use your thoughts and prayers.

Prayer has power and can change lives for the better. Fortify your faith through prayer. For the Grace of Jesus comes through faith.

Ephesians 6:11 Put on the whole armor of God, that ye may be able to stand against the wiles of the devil.

On a positive note, I reported during the January meeting the my wife, Theresa, had recently been diagnosed with possible cancer. Today she underwent additional testing that demonstrated that she did not have cancer. What she has is a benign. We are both very grateful for the prayers and support we have received. The first person Theresa called to tell the good news was Mary Shuster.

May the Lord continue to bless you and your family,
Terry

VSO Update by MCL VSO Dan Wood

Our National Certifying Officer has put out this information for additional help for our VSO's. His website is: VSO@MCLeague.org

Should any eligible member/associate member in good standing be interested in becoming a Detachment DSC please consider joining the ranks to help Accredited VSO's in working with Vets, assisting in the below bullet points.

The Detachment Service Coordinator (DSC) is a volunteer position in a [Marine Corps League Detachment](#). A DSC is a vital link between the Veteran or Veteran's family member(s) and a representative holding Marine Corps League accreditation. An effective DSC understands the benefits afforded to Veterans and family members; however, a DSC does not hold legal standing to represent a claimant in their benefits claims before the VA.

The Detachment Service Coordinator (DSC):

- Has a fundamental understanding of benefits for Veterans, dependents, and survivors.
- Understands the basics of the VA claims process.
- Can provide information on the VA healthcare facilities and Vet Centers in their local areas.
- Can connect the client to an accredited Veteran Service Officer
- May assist claimants in obtaining a copy of military and other records, e.g., DD 214, service medical record, etc.
- Will provide services free of charge.

Hopefully this newsletter is providing you with a good read and useful information about the finest detachment in the Marine Corps League. I pray that the contents of these pages inspire you to get a little more involved.

In my ongoing quest to get the Pikes Peak Detachment news out to the public, I recently started a detachment page on LinkedIn. If you are a user of LinkedIn you can visit us there at: <https://www.linkedin.com/company/ppd29mcl/>. The detachment presence on LinkedIn was made to reach people that are not inclined to use social media. Much of the material posted on the detachment LinkedIn account it's the same as what I post on Facebook. I have had a LinkedIn account for over 20 years but never used it much. I am always open to suggestions on how best to use this service.

If you are not receiving the detachment emails, please let me know.

Semper Fi,
Terry

Honor Guard Commander Terry Crum

All honorably discharged Veterans and their spouses are eligible for burial at a national cemetery free of charge. Military honors are earned by the Veteran also. Please make sure your that your family knows your desires for your final honors. Preferably in writing. This honor ceremony is as much for the spouse and family, as it is for the Veteran.

Semper Fi,
Terry

Marine Corps History – February

1 February, 1967

Operation Prairie II was begun in Quang Tri province by elements of the 3d Marine Division. During the 46-day search-and-destroy operation which terminated 18 March, 93 Marines and 693 of the enemy were killed.

2 February, 1944

The 4th Marine Division, as part of the first assault on islands controlled by the Japanese before the start of World War II, captured Namur and eight other islands in the Kwajalein Atoll.

6 February, 1968

Two reduced Marine battalions, the 1st Battalion, 1st Marines with two companies, and 2d Battalion, 5th Marines with three, recaptured Hue's hospital, jail, and provincial headquarters. It would take three more weeks of intense house to house fighting, and nearly a thousand Marines killed and wounded, before the imperial city was secured.

The Pikes Peak Detachment Honor Guard provided the three round rifle volley for Marine Vietnam Veteran Thomas Bickle at Pikes Peak National Cemetery on 16 January. At the end of the ceremony Marine Larry Hathaway switched from being a rifleman on the honor guard to being the Honor Bell ringer. Larry did this in order to pay tribute to another Vietnam artillery Marine. Jennifer Luckett attended the funeral as part of the bereavement team.

2026 St. Patrick's Day Parade

March 14, 2026 · 12:00pm NOON · Downtown, Colorado Springs on Tejon St.
Staging begins at 1100

Please consider being an ambassador for the Pikes Peak Detachment and show the Springs that the most awesome and lucky folks around are the U.S. Marines! The Pikes Peak Detachment will be in the parade and show all the rest how it is done. We will need plenty of help in order to make it happen.
