2025 Wreath Laying Ceremony at Memorial Park, Colorado Springs.  
The wreath laying ceremony harkens back to the solemn Armistice Day.

### Paymaster Dan Wood

Well here we are at the end of another successful year. With this report we only have 14 Delinquent members, most of whom I've talked with to get their dues caught up. So let's keep those commitments going with your dues paid up at our last meeting of the year. If I haven't contacted you, and you're not sure if you're delinquent, then please reach out to me. Here's a hint on the dues process: Our Fiscal year runs from 01 Aug until 31 July so if you have NOT paid your dues since 01 August then you ARE DELINQUENT!! Too easy right? I'm available most days if you need me to meet up with you or, if necessary, I will come to your residence to take care of it.

With this meeting already full of installation of officers, handing out of certificates, etc. it may be difficult to process your payment at the meeting, HOWEVER, I will make every effort to accommodate your need.

Everyone have a safe and wonderful Merry Christmas and Happy New Year!!  
Dan

Pikes Peak Detachment members and Pikes Peak Young Marines before the 2025 Manitou Christmas Parade. The Manitou Springs Christmas Parade every year ask everyone attending the parade to get into the spirit of giving by bringing a new, unwrapped toy to the parade. The Young Marines collected toys along the parade route from parade goers for Toys for Tots.

### 2025 Veterans Day Parade, Colorado Springs.

## Chaplain Terry Crum

Marine Corps League family.

So much has happened since the last newsletter and December is only going to keep busy. Recently the anniversary of Pearl Harbor on December 7<sup>th</sup> came and went with little fanfare on the news for example. Soon many folks across the country will be placing wreaths on all of the tomb stones of Veterans on Saturday December 13<sup>th</sup> as part of the national program "Wreaths Across America." Wreaths will be placed on tomb stones at many cemeteries in the Colorado Springs area.

On behalf of Theresa and myself Theresa and I will be hosting our Annual Crum Cottage Open house. As with previous years you are all welcome to stop at your leisure and enjoy some conversation and great holiday delectables during this Christmas open house. The open house will be Sunday, December 14<sup>th</sup> 1:00-4:00 PM. Our address is 7514 Wrangler Ridge Drive.

Please keep the following detachment members and their family members in your thoughts and prayers. So many of our members are battling ailments, some more severe than others, but I'm sure they can all use a bit of healing prayer. Please contact me day or night (719) 432-7340 so that we might lift them up in our thoughts and prayers. Let us know how we can be a source of comfort and assistance in time of need.

May the Lord continue to bless you and your family,  
Terry

## Honor Guard Commander Terry Crum

Greetings motivated Marines, dedicated FMF Corpsmen, outstanding associate members, and excellent auxiliary members. The honor guard continues to be busy and the cooler temperatures do not lessen our commitment to serve honors when requested. In addition to making themselves available at short notice for funeral service honors.

A few weeks ago a ceremony was held at the Mt. Carmel Center to ring into service Honor Bell Number 2. This bell will serve the Pikes Peak region as Honor Bell number 1 serves the Denver area. Members of the MCL Pikes Peak Detachment Honor Guard teamed up with members of the American Legion Post 209 Honor Guard to provide a rifle salute for the ceremony. This was the first time our Honor Guard has teamed up with another organization and the results were outstanding. Us with old M1 rifles and them with their AR-15 rifles. I predict this will not be the last time this happens.

If you retained basic rifle manual from boot camp, then you could join our ranks. We are busy now and I predict that this trend will continue.

Semper Fi,  
Terry

## **Marine Corps History December**

### **Marine Henry Talmage Elrod**

#### **Medal of honor Citation**

For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty while attached to Marine Fighting Squadron 211, during action against enemy Japanese land, surface and aerial units at Wake Island, 8-23 December 1941. Engaging vastly superior forces of enemy bombers and warships on 9 and 12 December, Capt. Elrod shot down two of a flight of 22 hostile planes and, executing repeated bombing and strafing runs at extremely low altitude and close range, succeeded in inflicting deadly damage upon a large Japanese vessel, thereby sinking the first major warship to be destroyed by small-caliber bombs delivered from a fighter-type aircraft. When his plane was disabled by hostile fire and no other ships were operative, Capt. Elrod assumed command of one flank of the line set up in defiance of the enemy landing and, conducting a brilliant defense, enabled his men to hold their positions and repulse intense hostile fusillades to provide covering fire for unarmed ammunition carriers. Capturing an automatic weapon during one enemy rush in force, he gave his own firearm to one of his men and fought on vigorously against the Japanese. Responsible in a large measure for the strength of his sector's gallant resistance, on 23 December, Capt. Elrod led his men with bold aggressiveness until he fell, mortally wounded. His superb skill as a pilot, daring leadership, and unswerving devotion to duty distinguished him among the defenders of Wake Island, and his valiant conduct reflects the highest credit upon himself and the U.S. Naval Service. He gallantly gave his life for his country.
