

Hola Mark,

THANK YOU! THANK YOU! THANK YOU! No more 3 putts! The putting yip tip = take a few deep breaths before I putt is amazing! Since we arrived in San Francisco 3 weeks ago, the weather has been cold, windy, and rainy. I have only been able to play 5 rounds in 3 weeks, instead of 15. However, since implementing this tip, I have not experienced 1 single YIP in the past 5 rounds. Now I am shooting in low-mid 80's, instead of low -mid 90's. My handicap is coming down and most importantly, Golf is fun again!! I told Jim Sattler my goal (now) is to continue improving my golf game so when we meet again, I can give Jim 3 strokes a side and beat him with strokes to spare. I really look forward to playing with you again and for you to witness my taming Jimbo the beast! Can't wait to watch Senor~ Jim march over to the ATM! All kidding aside, I really am extremely grateful for your support and this wonderful tip that has changed my LIFE!

Muchas Gracias
