### BIG TOURNAMENTS/EVENTS

When it comes to video games, one of the biggest things is tournaments. Video game tournaments is an ever-growing part of gaming which allows gamers to compete at high levels. PCG wants to be a part of everything all things gaming so we do our best to host monthly, Karaoke Night , Fundraisers, Movie Night , Corporate Events , Holiday Parties , Birthday Parties and annual events on a larger scale. If you are looking to get your brand seen, events like these can pull up to hundreds of eyes.

### WEEKLY EVENTS

Similar to our bigger tournaments and events, we host smaller weekly events. These events are smaller in number but have a much more loyal and engaging crowd. These kinds of events help players and gamers improve their skills competitively or socially just hang out with friends. These events consist of Fortnite, Smash Brothers, Street Fighter, Football games, Corn hole and more. By exposing your brand with these events you are not only helping it grow but relating your product with a great experience.

### GENERAL VIDEO GAME CENTER

With all our different forms of entertainment from video game consoles, PC gaming, arcade, bumper cars, bouncy house, and bar, being a part of our everyday business is big. Allow those that come and hang out on a daily basis or just come in for a first time experience, when they are having fun they can see your brand in the process.

### SCHOOL ESPORTS LEAGUE

When it comes to video games competition had come to a whole new level. Competing gives gamers that feeling of achievement and self-accomplishment just like physical sports athletes.
