Dear Anusha,

UNA-Westchester is delighted that such a powerful group of humanitarians came together yesterday to celebrate the 75<sup>th</sup> Anniversary of the founding of the United Nations. We were so gratified that we had a great turnout despite having to hold the program virtually. The enthusiastic audience was engaged until the very end!

Deepest thanks to you for your excellent presentation describing your project related to Zero Hunger and saving insects. I think many of the participants found that your talk and insights on relatively simple ways to improve food access resonated with them. I'm glad as well that you enjoyed the experience of participating in our UN75 Celebration.

We are very pleased to have you and your family involved with our chapter.

I am happy to say that the entire event was recorded on Zoom and we will send you the link via email. **We need permission from your parent(s) to put this link on the Website. Please have your parents give us permission if they agree.**

We hope to have some photos and the video uploaded to the website this week.

Thank you again for your excellent presentation. We very much enjoyed working with you and look forward to future collaboration.

Best regards,

J. Yuhanna Edwards
