WITH MR KUMAR

Main Focus On Physics Doubts We Teach physics in such a way that all the doubts of the students should get clarified that is our utmost priority in physics.

Some students are studying physics in the various institutions in classroom teaching and their doubts remain uncleared so what we do sit with the student individually and clear high-level doubts without wasting their time with full tricks or short cut.

So guys hurry up and clear your physics concepts and get a good result in the exam.

if we consider last year physics paper then you found that only one

derivation is asked and all are the conceptual type of questions. if someone tries to mug up physics then he or she hardly clear the physics exam and scoring 99 in physics in board exam will be their dream.

And for NEET Physics exam our priority to clear all the physics concepts to all the students those who are studying from Mr Kumar with conceptual physics questions so that understanding of physics will increase.
